Sound Delicious:

Late Edition Bob Greene, 2009-07-07 A loving and laughter filled trip back to a lost American time when the newspaper business was the happiest game in town In a warm affectionate true life tale New York Times bestselling author Bob Greene When We Get to Surf City Duty Once Upon a Town travels back to a place where when little more than a boy he had the grand good luck to find himself surrounded by a brotherhood and sisterhood of wayward misfits who on the mezzanine of a Midwestern building put out a daily newspaper that didn't even know it had already started to die In some American cities Greene writes famous journalists at mighty and world renowned papers changed the course of history with their reporting But at the Columbus Citizen Journal there was a willful rejection of grandeur these were overworked reporters and snazzy sportswriters nerve frazzled editors and insult spewing photographers who found pure joy in the fact that each morning they awakened to realize I get to go down to the paper again At least that is how it seemed in the eyes of the novice copyboy who saw romance in every grungy pastepot a symphony in the song of every creaking typewriter With current day developments in the American newspaper industry so grim and dreary Late Edition is a Valentine to an era that was gleefully cocky and seemingly free from care a wonderful story as bracing and welcome as the sound of a rolled up paper thumping onto the front stoop just after dawn
