Texte Et Ideologie:

Texte et idéologie Philippe Hamon, 1984 **Vers une théorie de la pratique théâtrale** Patrice Pavis, 2007-07-11 Au cours des vingt dernières années les études théâtrales en France se sont éloignées la fois d'une étude littéraire des textes et d'une approche purement linguistique et sémiotique des spectacles. Elles se sont efforcées de suivre et de décrire la pratique de la scène en vue d'une meilleure connaissance du phénomène théâtral. Cette étude rend compte de cette profonde mutation de la théorie de la sémiologie et de la pratique de l'art dramatique en analysant systématiquement texte, acteur, espace et réception. Sa matière est celle minemment instable de la mise en scène contemporaine, son esprit celui d'une confrontation ludique entre l'austérité du théâtre et sa plaisante pratique sur les scènes comme dans les ateliers. **Roman africain et idéologie** Laté Bégnon Lawson-Hellu, 2004 Genres as Repositories of Cultural Memory, 2021-12-28 This volume deals with the inherent relation between literary genres and cultural memory. Indeed generic repertoires may be regarded as bodies of shared knowledge, a sort of encyclopaedia or museum of stocked culture, and have played and still play an important role in absorbing and activating that memory. The contributors have focused on some specific memory-linked genres that prove especially relevant in remembering and transforming past experiences, i.e. the post-modern historical novel and various forms of post-modern autobiographical writing. They deal with such renowned authors as Carlos Fuentes, Vargas Llosa, Umberto Eco, Antonio Tabucchi, John Barth, Julian Barnes, Michel Butor, Nathalie Sarraute, Alain Robbe-Grillet, Claude Simon, Georges Perec and Marguerite Yourcenar. The volume thus constitutes an attractive and representative sample of post-modern forms of rewriting and problematizing individual and collective pasts. **Das Problem der alt-orientalischen Königsideologie im Alten Testament** Bernhardt, 2015-02-04 Texte et idéologie Philippe Hamon, 1997 La relation aux règles, le savoir-vivre au sens large de ce terme avec son appareil de normes, de principes, de manières de table et autres de sanctions, d'évaluations et de canevas plus ou moins codés qu'ils soient prohibitifs, prescriptifs ou permissifs, constitue le matériau et le sujet principal de tout roman. Mais le texte romanesque d'abord par divers procédés cumule que le réel n'est pas releuable d'une norme unique qu'il est fondamentalement carrefour d'univers de valeurs dont les frontières et les compétences ne sont pas forcément toujours parfaitement ajustées, complémentaires ou distinctes. A Semiotic Landscape. Panorama sémiotique Seymour Chatman, Umberto Eco, Jean M. Klinkenberg, 2019-05-20 No detailed description available for A Semiotic Landscape. Panorama sémiotique *La Sociocritique: enjeux théorique et idéologique* Adama Samake (dir.), 2013-07-18 La sociocritique se veut synthèse de toutes les théories de l'homme et de sa production. Si cette orientation a l'inconvénient de lui donner un caractère polysémique, source de confusion et d'usage abusif, elle lui permet néanmoins d'être toujours en convergence avec un vaste champ d'exploitation de ses ressources pédagogiques et analytiques. Ainsi s'explique l'apport considérable de la sociologie de la culture. Toutefois la sociologie des champs est sujette à controverse dans le monde universitaire sur la question du champ littéraire africain. Aussi s'agit-il d'entreprendre un ensemble de réflexions théoriques répondant au besoin de

recentrage afin de permettre un emploi rigoureux et opératoire de la sociocritique et de susciter le débat sur la problématique du champ littéraire africain au regard de la définition de la sociologie des champs de Pierre Bourdieu. Un outil n'est qu'un moyen, il ne saurait jamais être une fin en soi. Vrit que nous rappelle cette réflexion collective qui passe la sociocritique au crible de la critique revenant sur ses objectifs et modalités mais encore ses limites. Et les auteurs de cet opus de livrer un effort intellectuel sans doute sain qui refuse l'enchaînement aveugle d'une école et qui veut penser la valeur, la pertinence et le propos du recours à une telle démarche interprétative. S'il se veut ainsi minemment théorique, cet ouvrage n'en demeure pas moins accessible. En cela, il sera particulièrement fécond auprès des jeunes chercheurs qui y trouveront de quoi faire retour sur leur propre pratique herméneutique.

Dance as Text: Ideologies of the Baroque Body Mark Franko, 2015-06-30. *Dance as Text: Ideologies of the Baroque Body* is a historical and theoretical examination of French court ballet over a hundred-year period beginning in 1573 that spans the late Renaissance and early baroque. Utilizing aesthetic and ideological criteria, author Mark Franko analyzes court ballet librettos, contemporary performance theory, and related commentary on dance and movement in the literature of this period. Examining the formal choreographic apparatus that characterizes late Valois and early Bourbon ballet spectacle, Franko postulates that the evolving aesthetic ultimately reflected the political situation of the noble class which devised and performed court ballets. He shows how the body emerged from verbal theater as a self-sufficient text whose autonomy had varied ideological connotations, most important among which was the expression of noble resistance to the increasingly absolutist monarchy. Franko's analysis blends archival research with critical and cultural theory in order to resituate the burlesque tradition in its politically volatile context. *Dance as Text* thus provides a picture of the complex theoretical underpinnings of composite spectacle, the ideological tensions underlying experiments with autonomous dance, and finally the subversiveness of Molière's use of court ballet traditions.
