WHAT IS LITERARY CRITICISM?

Literary criticism is the comparison, analysis, interpretation, and/or evaluation of works of literature. Literary criticism is essentially an opinion, supported by evidence, relating to theme, style, setting or historical or political context. It usually includes discussion of the work's content and integrates your ideas with other insights gained from research. Literary criticism may have a positive or a negative bias and may be a study of an individual piece of literature or an author's body of work.

George Thomas Tanselle

Textual Literary Criticism:

Textual and Literary Criticism Fredson Bowers, 1966-01-02 The literary critic tends to think that the textual scholar or bibliographer has not much to say that he would care to hear so there is a gulf between them A Rationale of Textual Criticism George Thomas Tanselle, 1992 A philosophic grounding for textual criticism that shows how textual criticism is an integral part of the activity of reading Textual and Literary Criticism of the Books of Kings Julio Trebolle Barrera, 2020-06-08 This volume contains a collection of the author's life long study along with some new research written specifically for this book of the text of 1 & 2 Kings some of them translated into English for the first time Julio Trebolle's career has focused on the history of these biblical books from the triple angle of a combined textual literary and source compositional criticism His usage of the Septuagint and its secondary versions like the Old Latin as a basis for the reconstruction of the history of the text is an invaluable contribution to the panorama of textual pluralism in the Bible during the Second Temple period which has emerged after the discoveries of the Dead Sea *Textual and Literary Criticism* Fredson 1905- Bowers, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Principles of Textual Criticism** James Thorpe, 1972 This book is the first comprehensive study of the basic principles that govern the editing of literary texts The focus is on English and American literature and discussion is illuminated by a multitude of examples from the Renaissance to the present time It deals with the topics that are essential to all editorial work and conveys attitudes and approaches that should animate all literary scholarship **Textual and Literary Criticism** Fredson Thayer Bowers, 1991 *Textual & Literary Criticism* Fredson Bowers, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **A Critique of Modern**

Textual Criticism Jerome J. McGann, 1983 This small but powerful book initiated a major shift in literary theory and method when it was first published in 1983 Starting from a critical inquiry into certain specialized issues in the practice of editing McGann gradually unfolds an argument for a general revaluation of the grounds of literary study as a whole *Textual Criticism and Scholarly Editing* George Thomas Tanselle, 1990 **Texts, Editors, and Readers** Richard Tarrant, 2016-03-03 This book re-examines the most traditional area of classical scholarship offering critical assessments of the current state of the field its methods and controversies and its prospects for the future in a digital environment Each stage of the editorial process is examined from gathering and evaluating manuscript evidence to constructing the text and critical apparatus with particular attention given to areas of dispute such as the role of conjecture The importance of subjective factors at every point is highlighted An Appendix offers practical guidance in reading a critical apparatus The discussion is framed in a way that is accessible to non-specialists with all Latin texts translated The book will be useful both to classicists who are not textual critics and to non classicists interested in issues of editing
