**With foreword by
Malcolm Caldwell**

Thailand Origins Of Military Rule

David L. Elliott

Thailand Origins Of Military Rule:

Thailand David L. Elliott,1978 **THAILAND** David Elliott,1978 **Thailand** David Elliot,1978 **Praetorian Kingdom: A History of Military Ascendancy in Thailand** Paul Chambers,2024-08-28 This is one of the most comprehensive studies of contemporary Thai politics seen through the careers of Thai military leaders since 1932 up until now It is of vital importance if one is to understand present day Thai politics Kullada Kesboonchoo Mead Chulalongkorn University retired author of The Rise and Decline of Thai Absolutism Paul Chambers has written arguably the most comprehensive and detailed book on the evolution of Thailand s military power from the post World War II era to the present day This lucid book is a compelling read for anyone seeking to gain insight into the transformation of the country into a praetorian kingdom where the monarchy and the military are the most powerful institutions His delicate exploration of the various plots methods strategies twists and betrayals provides readers with valuable perspectives on the inner workings and dynamics of Thailand s praetorian system One of the book s strengths lies in its use of declassified and leaked documents from the US administrations adding a sense of excitement and credibility to the analysis Puangthong Pawakapan Chulalongkorn University author of Infiltrating Society The Thai Military s Internal Security Affairs This study on the Thai military does not merely add to the existing critical understandings about its role in the country s politics it tackles the subject in a new light and challenges us to reexamine our appraisal of each military regime Dr Chaiyan Rajchagool University of Phayao author of The Rise and Fall of the Thai Absolute Monarchy This book does two significant things first cultivating large amounts of primary resources and second providing a sophisticated interpretation of Thai military ascendancy until 2023 Based on these reasons the book is important for insightful and untold stories about the Thai military Ukrist Pathmanand Institute of Asian Studies Chulalongkorn University Thailand Monumental in scope and wondrously researched Praetorian Kingdom is much more than the systematic study of the Thai military that has long been needed For it is a volume that will compel readers not only to understand crucial episodes in Thailand s modern history in new ways but also to appreciate the continuities in the country s military politics as never before Michael Montesano Associate Senior Fellow Thailand Studies Programme ISEAS Yusof Ishak Institute **Thailand: History, Politics and the Rule of Law** James Wise,2019-04-15 This introductory book on Thai politics and the rule of law explains why chronically unstable Thailand struggles to mediate and adjudicate its political disputes It focuses on the continuities between the pre 1932 and post 1932 periods Since the shift to constitutional monarchy in 1932 the power of the monarch and military has endured the legislature electorate and until recently judiciary have been comparatively powerless and constitutions and laws have been comparatively unimportant Historical continuities are also evident in the persistence of hierarchical thinking and ethno nationalism both of which have inhibited open debates about governance And the rule of law does not always apply owing to different principles underlying western and traditional Siamese law and the emergence of a distinctively Thai legal culture

and consciousness Thailand's governance was re cast ambitiously in the 1890s 1932 and 1997 Since 1997 governing Thailand and developing Thailand's economy have become harder So political disputes have become more acute and the absence of a national consensus on dispute settlement mechanisms more obvious Until governance is again re cast Thailand's political instability and cycle of coups will continue Thailand, the Origin of Military Rule Samporn Piyanarongrojana, 1982

Historical Dictionary of Thailand Gerald W. Fry, Gayla S. Nieminen, Harold E. Smith, 2013-08-08 Throughout its history Thailand has shown remarkable resiliency adaptability and creativity in responding to serious threats and crises and this since much earlier times when it was known as Siam This book while focusing on the modern period does reach back to ancient kingdoms but also shows the impressive rise to a modern democracy although still endowed with a king and even more impressively an economic tiger Moreover it has become a prime tourist destination and is thus known to vast numbers of foreigners as a sort of instant Asia The Historical Dictionary of Thailand now in its third edition covers this amazing story in various ways First the chronology traces the most significant events from year to year The introduction then provides a good overview of the land and people the history and traditions and where it now seems to be heading The dictionary which by now has hundreds of detailed and cross referenced entries looks more closely at important persons places institutions and events as well as more generally its politics economy society culture and religion So this is an excellent reference work not only for scholars but many others who have visited the country and were fascinated by it *A History of Thailand* Chris Baker, Pasuk Phongpaichit, 2022-08-25 Since it was first published in 2005 A History of Thailand has been hailed as an authoritative lively and readable account of Thailand's political economic social and cultural history From the early settlements in the Chao Phraya basin to today Baker and Phongpaichit trace how a world of mandarin nobles and unfree peasants was transformed by colonialism the expansion of the rice frontier and the immigration of traders and labourers from southern China This book examines how the monarchy managed the foundation of a new nation state at the end of the nineteenth century and how urban nationalists ambitious generals communist rebels and business politicians competed to take control through the twentieth century It tracks Thailand's economic changes globalisation and the evolution of mass society and draws on popular culture to dramatize social trends This edition contains a new chapter on Thailand's turbulent politics since 2006 and incorporates new sources and research throughout **Routledge Handbook of Autocratization in Southeast Asia** Netina Tan, Yuko Kasuya, 2025-07-31 The Routledge Handbook of Autocratization in Southeast Asia examines how global and domestic forces of autocratization affect regional and local politics It analyzes how the interactions of international and domestic factors affect actors and institutions in both democracies and autocracies in the region Bringing together a representative slate of both local and international junior and senior scholars of different methodological backgrounds this Handbook cross examines regional trends and provides an insider view of the causes and effects of autocratization in a region with diverse experiences with de colonization state building and economic and political

developments The 28 chapters are organized into three sections Part I examines a range of structural international socio political technological and ideological causal factors of autocratization Part II offers a comparative analysis of the consequences of autocratization on key actors and democratic institutions Part III provides a more detailed study of autocratic consolidation and pushback in each country in Southeast Asia Taking into account structural historical institutional and cultural factors the contributors analyze how domestic actors and democratic institutions withstand the global forces of autocratization This Handbook fills empirical gaps in the current scholarship by focusing on all nation states in the Association of Southeast Asia Nations and Timor Leste varied regime types with diverse socio religious backgrounds It is the first authoritative reference work dedicated to Southeast Asia s autocratization and will be an indispensable reference work for academics and policymakers interested in democracy and autocracy regime transition and Southeast Asian politics

Historic Documents of 2014 CQ Press, Heather Kerrigan, 2015-06-10 For more than 40 years the Historic Documents series has made primary source research easy by presenting full primary documents and excerpts from documents on the important events of each year for the United States and the world Each volume includes approximately 70 events with well over 100 documents from the previous year from official or other influential reports and surveys to speeches from leaders and opinion makers to court cases legislation testimony and much more Historic Documents is renowned for the well written and informative background history and context it provides for each document Published annually the updated 2014 volume begins with an insightful essay that sets the year s events in context and each document or group of documents is preceded by a comprehensive introduction that provides background information on the event Full source citations are provided Readers have easy access to material through a detailed thematic table of contents and an index as well as an Other Historic Documents of Interest section which lists related entries from this and previous editions
