Thank God Its Monday Celebrating Your Purpose At Work:

Thank God It's Monday Kim Rose Hackney, 2003 Banish Monday morning blues Working women learn how to take their faith into the workplace and discover God ordained purpose and joy in their jobs *Bait and Switch* Barbara Ehrenreich, 2006-07-25 The bestselling author of Nickel and Dimed goes back undercover to do for America's ailing middle class what she did for the working poor Barbara Ehrenreich's Nickel and Dimed explored the lives of low wage workers Now in Bait and Switch she enters another hidden realm of the economy the shadowy world of the white collar unemployed Armed with a plausible r sum of a professional in transition she attempts to land a middle class job undergoing career coaching and personality testing then trawling a series of EST like boot camps job fairs networking events and evangelical job search ministries She gets an image makeover works to project a winning attitude yet is proselytized scammed lectured and again and again rejected Bait and Switch highlights the people who've done everything right gotten college degrees developed marketable skills and built up impressive r sum s yet have become repeatedly vulnerable to financial disaster and not simply due to the vagaries of the business cycle Today's ultra lean corporations take pride in shedding their surplus employees plunging them for months or years at a stretch into the twilight zone of white collar unemployment where job searching becomes a full time job in itself As Ehrenreich discovers there are few social supports for these newly disposable workers and little security even for those who have jobs Like the now classic Nickel and Dimed Bait and Switch is alternately hilarious and tragic a searing expos of economic cruelty where we least expect it **Thank God It's Monday!** Tim Hoerr, 2000 This powerful book shows how to synchronize personal interpersonal and corporate spheres of life Integrate your personal life with your company's purpose **Thank God It's Monday(?)** Tom C. Petersen, 2024-03-19 Thank God It's Monday is a collection of humorous essays on topics related to living out one's faith in the workplace The author shares his experiences in trying to reflect the power of a gracious and generous God in the work setting while navigating the competition and self promotion of the office Not to give away the ending but the author mostly chronicles how he has failed to effectively navigate these differences but continues his faith journey to do better These essays serve to educate encourage inspire and entertain readers who face work struggles ranging from dealing with co workers to surviving business meetings from sharing the good news with colleagues to responding well to a challenging boss They are meant to be an encouragement to working wounded Christians who may feel guilty they don't do more to share their faith at work or who find themselves acting at work in ways that don't align with their Christian beliefs The core message contained within is to help people recognize the challenge find the humor when they fall short and always return to Jesus who has the power and passion to help them triumph in their faith and their work Thank God It's Monday!
