Divinely Guided James Odom, 2010-09 We see many negative things on television and newspapers and all around us every day All of the morality in the world is gone and there is no respect People live as if there is no God God didn t mean for it to be this way The things that I wrote about in the book are intended to

encourage people to put a smile on their face and to change their way of thinking I know anyone who purchases this book and believes God's words will never be the same We are supposed to treat people the same way that Jesus did Think what this world would be like if people were nice to each other As you go through this life learn to trust God Anything is possible with God Remember my friends God is still in control God loves you About the Author James G Odom was born and raised in Perrine Florida He is a graduate of Miami Killian Senior High School Miami Dade Junior College South Campus and Elpis Seminary He has a B M degree in theology This is my first book I had been writing for a long time but never took it seriously I wrote something for my mother She took it to church and read it Everyone asked her where it came from She said My son wrote it I thought I would be a baseball player But a woman said to me You touch more people with writing than playing baseball I said You are right All I ever wanted to do was make my mother proud of me My mother and grandfather were the greatest inspiration in my life All praise and honor go to God I'm just doing what I was told to do A Man of God **Bream Gives Me Hiccups** Jesse Eisenberg,2015-08-31 The wildly inventive debut collection of stories by the Oscar nominated star of The Social Network Hilarious It's a hoot People The Best New Books Jesse Eisenberg known for his iconic film roles his regular pieces in the New Yorker and two critically acclaimed plays proves himself a deeply original comic voice in these 28 stories about the funniness sadness and strangeness of everyday life and they really made me laugh Roz Chast Moving from contemporary LA to the dorm rooms of an American college to ancient Pompeii Eisenberg throws the reader into a universe of social misfits reimagined scenes from history and ridiculous overreactions a college freshman forced to live with a roommate is stunned when one of her ramen packets goes missing She didn't have one of my ramens She had a chicken ramen Alexander Graham Bell has teething problems with his invention I've been calling Mabel all day she doesn't pick up Yes of course I dialed the right number 2 and in the title story a precocious and privileged nine year old boy finds himself in the uncomfortable position as an amateur restaurant critic Featuring illustrations by award winning cartoonist Jean Jillian this alphabet soup of sketches riffs and innovations Seattle Times explores the various insanities of the modern world playfully bringing both familiar and wholly original scenarios to life Marie Claire A Fall Books Preview Selection by Audible One of the Wall Street Journal's 15 Books to Read This Fall One of USA Today's Weekend Picks for Book Lovers One of People Magazine's Best New Books **101 Ways to Say Thank You** Kelly Browne,2008 Offers advice on writing a thank up note suggesting wording for a variety of occasions and including dos and don'ts tips on salutations a thesaurus and other tools *The House at 206* Brian Cote,2024-04-08 This is a true story of a man who from the age of five years old began experiencing paranormal and supernatural events These occurrences along with many brutal injuries and tough situations set him apart from the normal or average person After repeatedly cheating death he realized that God would not let him die or let him down Ten years ago he found himself living in a house where for three solid weeks he had personal contact with guardian angels and some demonic entities as well Undeniable were these bizarre encounters due to the fact that three other

Douglas Veer,2019-06-20 A wild disobedient boy leaves his home near Chicago at the age of 14 believing he can do it all alone He signs up for Navy service where he finds danger intrigue and adventure And like many other young people he tries alcohol and drugs Then Doug tries marriage he makes more than one attempt at it But each one goes bad Then there s the motorcycle gangs and the illicit relationships but his future remains destined to destruction He even decides to accept Jesus Christ as His Savior but somehow his commitment is shallow leading to more years of trouble Later in life through a difficult divorce Doug loses his children It s at that point that he s driven to break the law is convicted and faces 131 2 to 27 years in a federal penitentiary Finally Doug renews his commitment to the Lord leading to a life changing relationship with Christ Doug Veer s life purpose and hope is that by exposing his own corrupted life in this book he can help prevent others from taking the same pathways he did when he danced with the devil on the other side of freedom
