Widdowcisms Kenneth West Widdowson AKA Kenny West, 2016-12-08 I grew up in the best years this country had ever seen the thirties the forties and the fifties When I put down my baton after thirty nine years of conducting bands and orchestras I needed a project I decided to share my early years growing up in the town of Bellefonte Pennsylvania by writing an autobiography As I collected the material for this venture I came to two conclusions first I didn't have enough interesting material and second who would want to read it Some of those memories combined with later writings were the basis for the first part of this book Essays and Reflections The Music and Correspondence sections speak for themselves The greeting cards are but a few I have written to my wife Jean over our fifty seven years of marriage They were my reaction to the commercial bland verse and high priced cards Growing up in a funeral home I had seen enough flowers to last several lifetimes I very seldom gave my wife flowers As for the poetry it came about by accident It started with writing song lyrics and just seemed to segue into the poems I never really looked for a poem subject every day events presented themselves with constant frequency The individual limericks added a personal touch to my correspondence and were greatly appreciated by the receiver Many of the later poems could
