Capicotto,2018-02-02 I thought life was treating us pretty well until one day when I received a tragic phone call that forever changed our lives We have heard of something like this happening on TV or to someone else but never could imagine it happening to our family Our daughter Ann was a model citizen never been in trouble and always cared for others She was innocent but somehow was accused convicted and sent to prison In my book I Am with You Always it tells of how our family dealt with this painful and agonizing ordeal with the help of God It also tells of the corruption with the police and judicial system that went on during this whole situation You will be involved with the determination and perseverance of my family to see what will happen next as each chapter reveals yet another life challenging situation Without God we would have been alone lost and without hope With God we had strength from the Lord and had survived this tragedy to go on and face another day We are very thankful that God is in our life We can count on Him to help us through anything if we only let Him This book is meant to encourage and is filled with Bible verses to help you in your daily walk through life **The Life of a Greek**

American John Antonakos, 2019-05-09 This biography is more about the people who have surrounded me than about myself. With this biography I intend to show all the following: How my environment affected me as a Greek American; the interplay I had with my parents who had come from Greece; my parents' faith and how it influenced me; the difficulties Greek immigrants had and how they overcame them; the strong belief a Greek immigrant had for education and how it impelled him to drive his children to get a good education; the way immigrants entertained themselves with home celebrations, dances, and picnics; and the relationship Greek Americans had with one another. In summary, the purpose of this biography is to show how Greek culture was established within American culture and was impressed upon me. This book is built around a thread that traces the development of the life of the immigrants in America. Do not look in it for the development of my life but rather look in it to see the development of the Antonakos family in America. Look at the life of the Antonakoses in Mani, their immigration to America, and their progress in America. Look at their material development and how they used it to obtain higher education for their children. Then note how through the use of this education they obtained good positions in the professional world. It is fervently hoped that all immigrants in America from all nations of the world will establish their culture in America as the ones who had come here earlier. The greatness of America will continue to remain as long as this peaceful blending of cultures continues to occur. This biography is written purely chronologically. The persons, places, and events are recorded chronologically in my story as they actually occurred in my life. Accept them as they are recorded and don't attempt to group different parts of my story together in any unique way.
