That Silent Summer:

That Silent Summer Elaine Medline,1999 Anna can see that her grand niece Minnow s first summer on Birch Lake doesn t start out well Minnow wonders why her mother has sent her to spend her vacation with her grandmother and her great aunt and uncle Especially when her mother has never returned to the cabin since leaving it as a young woman But the summer turns beautiful as Minnow comes to realize that the cabin is her home in the truest sense and that the geriatrics her elderly relatives are her closest friends Minnow discovers three goals for the summer to swim across the lake to Picnic Island as her mother did every summer when she was a girl to get Anna who has been mute for decades to speak and finally to bring together her long estranged mother and grandmother Elaine Medline s first novel *That Silent Summer* is destined to become a cherished favourite Friendships are forged in the magical setting as even it has to adapt to time and change along with the characters Through Anna s eyes we trace the progress of Minnow from unhappiness to compassion as we spend that poignant lovely and sometimes silent summer on Birch Lake **The R.I. broken heart guessing every misplaced step along the stumbling path The clumsy crooked left hand path of Witchwood Forest will latch on to your every thought and pull it down into a dark descent of mystery a mystery that will not only set your mind free to a new humility and dignity it so craves and endlessly searches for but a mystery within echoing mysteries that will also unlock the chains of your heart and hand you back the moral compass we all hold so dear Welcome my friends into the descending darkness of fallen angels who dream of becoming archangels but are too lost to find their way Welcome to Devils Creek welcome to the Witchwood Forest We ve been waiting for you so long we all have missed you so much
