Hemingway's Widow Timothy Christian, 2022-03-01 A stunning portrait of the complicated woman who becomes Ernest Hemingway's fourth wife tracing her adventures before she meets Ernest exploring the tumultuous years of their marriage and evoking her merry widowhood as she shapes Hemingway's literary legacy Mary Welsh a celebrated wartime journalist during the London Blitz and the liberation of Paris meets Ernest

Hemingway in May 1944 He becomes so infatuated with Mary that he asks her to marry him the third time they meet although they are married to other people Eventually she succumbs to Ernest s campaign and in the last days of the war joined him at his estate in Cuba Through Mary s eyes we see Ernest Hemingway in a fresh light Their turbulent marriage survives his cruelty and abuse perhaps because of their sexual compatibility and her essential contribution to his writing She reads and types his work each day and makes plot suggestions She becomes crucial to his work and he depends upon her critical reading of his work to know if he has it right We watch the Hemingways as they travel to the ski country of the Dolomites commute to Harry s Bar in Venice attend bullfights in Pamplona and Madrid go on safari in Kenya in the thick of the Mau Mau Rebellion and fish the blue waters of the gulf stream off Cuba in Ernest s beloved boat Pilar We see Ernest fall in love with a teenaged Italian countess and wonder at Mary s tolerance of the affair We witness Ernest s sad decline and Mary s efforts to avoid the stigma of suicide by claiming his death was an accident In the years following Ernest s death Mary devotes herself to his literary legacy negotiating with Castro to reclaim Ernest s manuscripts from Cuba publishing one third of his work posthumously She supervises Carlos Baker s biography of Ernest sues A E Hotchner to try and prevent him from telling the story of Ernest s mental decline and spends years writing her memoir in her penthouse overlooking the New York skyline Her story is one of an opinionated woman who smokes Camels drinks gin swears like a man sings like Edith Piaf loves passionately and experiments with gender fluidity in her extraordinary life with Ernest This true story reads like a novel and the reader will be hard pressed not to fall for Mary

A Reader's Companion to the Short Story in English Erin Fallon, R.C. Feddersen, James Kurtzleben, Maurice A. Lee, Susan Rochette-Crawley, 2013-10-31 Although the short story has existed in various forms for centuries it has particularly flourished during the last hundred years Reader s Companion to the Short Story in English includes alphabetically arranged entries for 50 English language short story writers from around the world Most of these writers have been active since 1960 and they reflect a wide range of experiences and perspectives in their works Each entry is written by an expert contributor and includes biography a review of existing criticism a lengthier analysis of specific works and a selected bibliography of primary and secondary sources The volume begins with a detailed introduction to the short story genre and concludes with an annotated bibliography of major works on short story theory

Hemingway on Love Robert W. Lewis, 2014-08-04 Love was a central theme of Ernest Hemingway s major works And although his passages on sexual love and on romantic love may be widely remembered and frequently quoted says Robert W Lewis in this scholarly and detailed consideration Hemingway s

later work revealed his ultimate belief that brotherly love was the supreme love of mankind Eros Hemingway concluded was a neutral value neither good nor bad in itself but yet capable of complementing agape in giving man pleasure By examining the forms and essences of the various kinds of love Hemingway worked out an explanation and tentative solution to the troubles of the human condition The tradition of romantic love that had prevailed in Western literature had challenged sexual love and brotherly love and had been confused with them since the Middle Ages Hemingway s early work was destructive of romantic love says Lewis the work of his middle career was crucial in his exploration for the supreme love and the means to whatever peace and happiness man may achieve By the time he wrote *The Old Man and the Sea* his ethic was formulated and he could write conclusively of the trial and lesson of love in Western civilization in a way that reflected his discovery that true love must be a reciprocal blend of eros and agape between man and woman man and man and man and his world **Colin McPhee** Carol J. Oja, 2004 A study of a pioneer among American composers his life his influences on fellow musicians and his struggles as a composer *Wharton, Hemingway, and the Advent of Modernism* Lisa Tyler, 2019-04-17 Wharton Hemingway and the Advent of Modernism is the first book to examine the connections linking two major American writers of the twentieth century Edith Wharton and Ernest Hemingway In twelve critical essays accompanied by a foreword from Wharton scholar Laura Rattray and a critical introduction by volume editor Lisa Tyler contributors reveal the writers overlapping contexts interests and aesthetic techniques Thematic sections highlight modernist trends found in each author s works To begin Peter Hays and Ellen Andrews Knodt argue for reading Wharton as a modernist writer noting how her works feature characteristics that critics customarily credit to a younger generation of writers including Hemingway Since Wharton and Hemingway each volunteered for humanitarian medical service in World War I then drew upon their experiences in subsequent literary works Jennifer Haytock and Milena Radeva Costello analyze their powerful perspectives on the cataclysmic conflict traditionally viewed as marking the advent of modernism in literature In turn Cecilia Macheski and Sirpa Salenius consider the authors passionate representations of Italy informed by personal sojourns there in which they observed its beautiful landscapes and culture its liberating contrast with the United States and its period of fascist politics Linda Wagner Martin Lisa Tyler and Anna Green focus on the complicated gender politics embedded in the works of Wharton and Hemingway as evidenced in their ideas about female agency sexual liberation architecture and modes of transportation In the collection s final section Dustin Faulstick Caroline Chamberlin Hellman and Parley Ann Boswell address suggestive intertextualities between the two authors with respect to the biblical book of Ecclesiastes their serialized publications in Scribner s Magazine and their affinities with the literary and cinematic tradition of noir Together the essays in this engaging collection prove that comparative studies of Wharton and Hemingway open new avenues for understanding the pivotal aesthetic and cultural movements central to the development of American literary modernism
