That Wild Fellow John Neal And The American Literary Revolution:

That Wild Fellow John Neal and the American Literary Revolution Benjamin Lease, 1996 **John Neal and Nineteenth-Century American Literature and Culture** Edward Watts, David J. Carlson, 2012-02-01 John Neal and Nineteenth Century American Literature and Culture critically reassesses the significance of American novelist editor critic and activist John Neal to the transatlantic literary culture of the nineteenth century Long appreciated primarily as a powerful advocate of literary nationalism in the United States Neal is presented in this volume as an innovative literary stylist a penetrating cultural critic a pioneering regionalist and a vital participant in the business of letters in America over a sixty year career The volume s contributors including scholars from the United States Germany England Italy and Israel employ a wide range of critical methodologies legal studies psychoanalysis cultural studies etc to survey Neal s career from his early novel writing in the 1820s to his culminating autobiography published in 1869 Special attention is paid to his work as an editor journalist critic and publisher in a variety of journals Throughout this discussion Neal emerges as a vastly underappreciated artist and a figure of considerable importance to the ongoing reassessment of the American Renaissance and the broader cultural history of the nineteenth century The editors introduction and the volume as a whole offers an overview of the present vitality of the new Neal scholarship while also suggesting a number of areas for future research and inquiry **A Rhode Island Original** Sarah C. O'Dowd, 2004 The first biography of Frances Whipple writer reformer abolitionist *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1976 The Gothic's Gothic (Routledge Revivals) Benjamin Franklin Fisher IV, 2016-05-05 First published in 1988 this book aims to provide keys to the study of Gothicism in British and American literature It gathers together much material that had not been cited in previous works of this kind and secondary works relevant to literary Gothicism biographies memoirs and graphic arts Part one cites items pertaining to significant authors of Gothic works and part two consists of subject headings offering information about broad topics that evolve from or that have been linked with Gothicism Three indexes are also provided to expedite searches for the contents of the entries This book will be of interest to students of literature **The Cambridge Companion to Edgar Allan Poe** Kevin J. Hayes, 2002-04-25 This collection of specially commissioned essays by experts in the field explores key dimensions of Edgar Allan Poe s work and life Contributions provide a series of alternative perspectives on one of the most enigmatic and controversial American writers The essays specially tailored to the needs of undergraduates examine all of Poe s major writings his poetry short stories and criticism and place his work in a variety of literary cultural and political contexts They situate his imaginative writings in relation to different modes of writing humor Gothicism anti slavery tracts science fiction the detective story and sentimental fiction Three chapters examine specific works The Narrative of Arthur Gordon Pym The Fall of the House of Usher The Raven and Ulalume The volume features a detailed chronology and a comprehensive guide to further reading and will be of interest to students and scholars alike *The Genius of John Neal*

John Neal, 1793-1876. Although E. A. Poe had recognized the genius of John Neal 1793-1876 and although H. L. Mencken believed that Neal might have been the most important American literary critic of his time, his contribution to American literature has been overshadowed by the performances of those authors he blazed trails for: Herman Melville, Walt Whitman, and Mark Twain. The first comprehensive Neal anthology reveals the dynamism by which at the beginning of the nineteenth century the USA started with their emancipation from the European literary tradition. *Encyclopedia of American Poetry: The Nineteenth Century* Eric L. Haralson, 2014-01-21. With contributions from over 100 scholars, the *Encyclopedia of American Poetry: The Nineteenth Century* provides essays on the careers, works, and backgrounds of more than 100 nineteenth-century poets. It also provides entries on specialized categories of twentieth-century verse such as hymns, folk ballads, spirituals, Civil War songs, and Native American poetry. Besides presenting essential factual information, each entry amounts to an in-depth critical essay and includes a bibliography that directs readers to other works by and about a particular poet. *Hans Christian Andersen in American Literary Criticism of the Nineteenth Century* Herbert Rowland, 2020-11-03. In *Hans Christian Andersen in American Literary Criticism of the Nineteenth Century*, Herbert Rowland argues that the literary criticism accompanying the publication of Hans Christian Andersen's works in the United States compares favorably in scope, perceptiveness, and chronological coverage with the few other national receptions of Andersen outside of Denmark. Rowland contends that American commentators made it abundantly evident that in addition to his fairy tales, Andersen wrote several novels, travelogues, and an autobiography, which were all of more than common interest. In the process, Rowland shows that American commentators naturalized Andersen in the United States by confronting the sensationalism in the journalism and literature of the time with the perceived wholesomeness of Andersen's writing, deploying his long fiction on both sides of the debate over the nature and relative value of the romance and the novel, and drawing on three of his works to support their positions on slavery, the Civil War, and Reconstruction. **American Literary Magazines** Edward E. Chielens, 1986-09-23. Recommended for academic and public reference collections. Choice.

Decoding **That Wild Fellow John Neal And The American Literary Revolution**: Revealing the Captivating Potential of Verbal Expression
