Travels with George, in Search of Ben Hur and Other Meanderings Paul Ruffin, 2012-06-05 This fourth collection of essays by Paul Ruffin highlights his idiosyncratic wit and practiced storytelling skills in memorable autobiographic pieces ranging from the comic to the confessional The first section Things Literary More or Less includes the title essay in which Ruffin takes the reader on a rollicking tour with iconic Southern writer George Garrett which ends with the two men locating the ghostly remains of an obscure Texas hamlet called Ben Hur and talking with an eccentric representative of the town s handful of inhabitants In other essays Ruffin workshops a cowboy poem with a couple of deputy sheriffs reveals aspects of Edgar Allan Poe s life never before published reviews some unusual books and shares the story of a boy who speaks only in hymns Ruffin concludes the section with the tale of an invigorating flight to San Juan in an old DC 6 In the next section On Likker and Guns Ruffin summarizes his drinking career transcribes the conversation between two rats that destroy his university office and tells the tale of a bowhunter who asked him for his deer bladder He also introduces the reader to a sharpshooter who while trying to demonstrate his prowess with an old rifle kills an old man s tractor Finally Ruffin takes the reader on a trip to a Texas gun show to meet the menacing Boram the clueless Billy Wayne and a vigilant wife dedicated to preserving the family budget The book ends with an excerpt from Ruffin s unpublished memoir *Growing Up in Mississippi Poor and White but Not Quite Trash* in which the author recalls his agonizing boyhood quest to unlock the mysteries of sex Never under this sun was there a child more ignorant of the act the organs involved or its marvelous potential for pleasure and fulfillment And never was there a child who tried harder to understand Through Ruffin s sly vision of himself and his surroundings and his ability to focus attention on life s curious defining moments these essays reflect some of the best aspects of contemporary literary nonfiction Every tale is vibrantly alive with the sincere voice crisp details bold images and distinctive dialogue that readers have come to relish in Ruffin s myriad writings [Understanding Fred Chappell](#) John

Lang,2000 Lang evaluates Chappell s major works including the four novels preceding *Midquest* the first five volumes of poetry the remarkably different books of poems published between *Castle Tzingal* and *Spring Garden* New and Selected Poems and the two collections of short stories An investigation of the varied connections between and achievements of the Kirkman tetralogy and *Midquest* concludes this analysis

BOOK JACKET Experimentation and Versatility Casey Clabough,2005 *Experimentation and Versatility* considers Chappell s first four novels and his short fiction the novels chronologically and the short stories thematically in order to demonstrate the unique range and importance of his fictional prose Rather than inserting Chappell s fictional variables into a single theoretical formula Clabough traces and celebrates their various and multifaceted excursions into genres as disparate as Appalachian pastoralism and experimental science fiction Containing both an interview with Chappell and a previously unpublished short story *Experimentation and Versatility* also offers new primary sources on Chappell s work even as it contextualizes him as one of our most exciting and multi talented contemporary writers Investigating the complexities of Chappell s work Clabough s study offers new ways of considering Chappell who has been characterized variously as a Appalachian Southern and fantasy writer However as Clabough demonstrates he is in fact all and none of these things a writer of immense gifts constantly reinventing himself through his experiments in seemingly disparate genres
