The 1st And 2nd Rockbridge Artillery:

The 1st and 2nd Rockbridge Artillery Robert J. Driver, 1987 **The Virginia Regimental Histories Series** Robert Driver, 2024-07-22 The First and Second Rockbridge Artillery batteries held a special fascination for the author The exploits of the First are widely known The Second saw equally hard service and distinguished itself as well The First contained perhaps the best educated group of men in the state to serve throughout the war They left a large legacy of written material concerning the unit and the men in it The history of the First is therefore longer and in more detail The saga of the Second had to be written using but few original sources No after action reports of the battery commanders have been found and but a few accounts by its members exist Therefore the history of the Second is shorter but no less heroic Muster rolls sourced mainly from the Compiled Service Records in the National Archives which contain information on the date and place of enlistment hospital prisoner of war clothing and equipment receipts and other miscellaneous materials are included as well as the ages prewar and postwar occupations and domiciles of former soldiers This work also offers photographs of several soldiers as well as several maps and a bibliography Compendium of the Confederate Armies: Virginia Stewart

Sifakis, 2009-05-01 This work is intended to be the companion set to Frederick H Dyer's Compendium of the War of the Rebellion for the Confederacy Civil War historians and genealogists with ties to Virginia will want to own this volume that details the activities of Virginia The Confederate Soldiers of Rockbridge County, Virginia Robert J. Driver, Jr., 2016-08-02 Based on an exhaustive search of various sources this book provides a comprehensive roster of all known Confederate soldiers sailors and marines from Rockbridge County Virginia or those who served in units raised in the County Washington College and Virginia Military Institute alumni who were from Rockbridge enlisted in local companies or lived in the County before or after the war are also included Complete service records are given along with photographs where possible

Virginia at War, 1863 William C. Davis, James I. Robertson, 2008-12-05 The 3rd volume in this history of Confederate Virginia examines the effects of war on struggling families the Hatfield McCoy feud and more In the year 1863 only one major battle The Battle of Chancellorsville was fought in the Confederate State of Virginia Yet the pressures of the Civil War turned the daily lives of Virginians both soldiers and civilians into battles of their own 1863 was the year Stonewall Jackson died within Virginia's borders and Abraham Lincoln delivered the Gettysburg Address Virginia at War 1863 examines these and other key events revealing the political social and cultural ramifications of the ongoing national conflict By this time the war had profoundly transformed nearly every aspect of Virginia life and culture from education to religion to commerce Mounting casualties and depleted resources made Virginians feel the deprivations of war more deeply than ever Contributors to this volume focus on the war's impact on Virginia's children and its newly freed slaves They shed light on the origins of the Hatfield McCoy feud explore the popularity of scrapbooking as a form of personal recordkeeping and consider the changing role of religion during wartime The book concludes with the 1863 entries of the Diary of a Southern Refugee by Richmond's

Judith McGuire **The Maps of Spotsylvania Through Cold Harbor** Bradley M. Gottfried, 2023-01-04 The Maps of Spotsylvania through Cold Harbor continues Bradley M Gottfried s efforts to study and illustrate the major campaigns of the Civil War s Eastern Theater This is the ninth book in the ongoing Savas Beatie Military Atlas Series After three years of bloody combat in Virginia President Abraham Lincoln promoted Ulysses S Grant to general in chief in early 1864 Grant immediately went to work planning a comprehensive strategy to bring an end to the war He hungered to remain with the Western armies but realized his place was in Washington Unwilling to be stuck in an office Grant joined George Meade s Army of the Potomac His presence complicated Meade s ability to direct his army but Grant promised to stay out of his way and give only strategic directives This arrangement lasted through the Wilderness Campaign the first action in what is now referred to as the Overland Campaign This book continues the actions of both armies through the completion of the Overland Campaign After the Wilderness fighting the Army of the Potomac attempted to swing around the right flank of Gen Robert E Lee s Army of Northern Virginia and shoot straight for Richmond The Confederate capital was never the goal the move was intended to force Lee out into the open where the larger and well stocked Union army could destroy it The head of Lee s army blunted the enemy at Spotsylvania Court House where both sides dug in Days and men were wasted on fruitless attacks until Col Emory Upton designed an audacious strike that temporarily penetrated Lee s works A much larger offensive against the Mule Shoe two days later tore the line open destroyed a Rebel division and triggered a long day of fighting More fighting convinced Grant of the folly of further attempts to crush Lee at Spotsylvania and again he swung around the Rebel right flank The march ignited almost continuous fighting at the North Anna Bethesda Church and Cold Harbor where this volume ends This study includes the various cavalry actions including those at Spotsylvania Court House Yellow Tavern Haw s Tavern and Matadequin Creek The Maps of Spotsylvania through Cold Harbor breaks down the entire operation into thirty five map sets or action sections enriched with 134 detailed full page color maps These cartographic originals bore down to the regimental and battery level and include the march to and from the battlefields and virtually every significant event in between At least two and as many as ten maps accompany each map set Keyed to each piece of cartography is a full facing page of detailed footnoted text describing the units personalities movements and combat including quotes from eyewitnesses depicted on the accompanying map all of which make the Spotsylvania story come alive This unique presentation allows readers to easily and quickly find a map and text on any portion of the campaign from the march to Spotsylvania to Cold Harbor Serious students will appreciate the extensive and authoritative endnotes and complete order of battle Everyone will want to take the book along on trips to these battlefields Perfect for the easy chair or for stomping the hallowed ground The Maps of Spotsylvania through Cold Harbor is a seminal work that belongs on the bookshelf of every serious student of the battle *The Fredericksburg Campaign* Francis Augustín O'Reilly, 2006-04-01 The battle at Fredericksburg Virginia in December 1862 involved hundreds of thousands of men produced staggering unequal casualties 13 000 Federal soldiers compared to 4 500

Confederates ruined the career of Ambrose E Burnside embarrassed Abraham Lincoln and distinguished Robert E Lee as one of the greatest military strategists of his era Francis August n O Reilly draws upon his intimate knowledge of the battlegrounds to discuss the unprecedented nature of Fredericksburg s warfare Lauded for its vivid description trenchant analysis and meticulous research his award winning book makes for compulsive reading **No Soap, No Pay, Diarrhea, Dysentery & Desertion** Jeff Toalson,2006-08-18 No Soap No Pay Diarrhea Dysentery Desertion is a groundbreaking study of life during the final sixteen months of the Confederacy Civil War studies normally focus on military battles campaigns generals and politicians with the common Confederate soldier and Southern civilians receiving only token mention Using personal accounts from more than two hundred seventy soldiers farmers clerks surgeons sailors chaplains farm girls nurses nuns merchants teachers and wives author Jeff Toalson has created a compilation that is remarkable in its simplicity and stunning in its scope These soldiers and civilians wrote remarkable letters and kept astonishing diaries and journals They discussed disease slavery inflation religion desertion blockade running and their never ending hope that the war would be over before their loved ones died As in all wars these are the people who suffer the most and glory is hard to find amid lice dysentery starvation and death A significant contribution to Civil War literature No Soap No Pay Diarrhea Dysentery Desertion will open vistas to a side of the war with which most are only mildly familiar The words of these individuals are an honest powerful and poetic portrayal of the war s effect on their lives **Edward M. Almond and the US Army** Michael E. Lynch,2019-10-15 This study presents a comprehensive look at a complex man who exhibited an unfaltering commitment to the military and to his soldiers but whose career was marked by controversy As a senior Army officer in World Wars I and II Lt Gen Edward M Almond lived by the adage that units don t fail leaders do He was chosen to command the 92nd Infantry Division one of only two African American divisions to see combat during WWII but when the infantry performed poorly in Italy in 1944 1945 he asserted that it was due to their inferiority as a race and not their maltreatment by a separate but unequal society He would later command the X Corps during the Inchon invasion that changed the course of the Korean War but his accomplishments would be overshadowed by his abrasive personality and tactical mistakes This book addresses how Almond s early education at the Virginia Military Institute with its strong Confederate and military influences shaped his military prowess Presented is a thorough assessment of Almond s military record how he garnered respect for his aggressiveness courage in combat strong dedication and leadership and how he was affected by the loss of his son and son in law in combat during WWII Following the war Almond would return to the US to assume command of the US Army War College but would find himself unprepared for a changing world This volume asserts that since his death his bigoted views have come to dominate his place in history and undermine his military achievements **The Rebel and the Rose** Wesley Millett,Gerald White,2008-10 In April 1865 the Civil War is over for most Americans Confederate President Jefferson Davis flees Richmond the Southern capital accompanied by most of his administration a cavalry escort various hangers on and the
