The 30 Years War Modern Scandinavian Literature In Translation:

The 30 Years' War Henrik Tikkanen, 1987 By turns ironic and uproarious *The Thirty Years War* is about a soldier who carried on World War II by himself years after it officially ended In satirizing war and the making of a war hero the controversial Finland Swedish writer Henrik Tikkanen gives many a nod to American culture and the American military His comic novel reminiscent of the best writing of Kurt Vonnegut Jr is now available in English ten years after its original publication in Finland The twenty drawings are by Tikkanen a noted artist and caricaturist as well as author *The Thirty Years War* was translated into English by George and Lone Thygesen Blecher who were named Translators of the Year in 1984 by the American Library Association The afterword is by George C Schoolfield chairman of the Department of Germanic Languages at Yale University and an authority on Scandinavian literature

The Oxford Guide to Literature in English Translation Peter France, 2000 This guide highlights the place of translation in our culture encouraging awareness of the process of translating and the choices involved making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Hungarian Korean to Turkish For some works e g Virgil's *Aeneid* which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available

The Publishers Weekly, 1917 *German Literature as World Literature* Thomas O. Beebe, 2014-07-31 This new collection investigates German literature in its international dimensions While no single volume can deal comprehensively with such a vast topic the nine contributors cover a wide historical range with a variety of approaches and authors represented Together the essays begin to adumbrate the systematic nature of the relations between German national literature and world literature as these have developed through institutions cultural networks and individual authors In the last two decades discussions of world literature literature that resonates beyond its original linguistic and cultural contexts have come increasingly to the forefront of theoretical investigations of literature One reason for the explosion of world literature theory pedagogy and methodology is the difficulty of accomplishing either world literature criticism or world literary history The capaciousness as well as the polylingual and multicultural features of world literature present formidable obstacles to its study and call for a collaborative approach that conjoins a variety of expertise To that end this collection contributes to the critical study of world literature in its textual institutional and translatorial reality while at the same time highlighting a question that has hitherto received insufficient scholarly attention what is the relation between national and world literatures or more specifically in what senses do national literatures systematically participate in or resist world literature
