The Abandoners Portraits Of Loss Separation And Neglect:

The Abandoners; Portraits of Loss, Separation, and Neglect Thomas J. Cottle, 1972 Field Research Robert G. Burgess, 2003-09-02 For this the fourth volume in the successful Contemporary Social Research series Robert Burgess has provided a new resource text which will prove invaluable to those engaged in field research The material he has chosen is drawn both from sociology and social anthropology and the readings come from experienced researchers both in the USA and Europe In addition Burgess draws upon the work of historians for a special section on the use of historical materials in field research The focus is upon the strategies processes and problems of work in the field Chapters by distinguished social scientists cover gaining entry note taking interviewing and observing Material on data collection is complemented by discussion of data analysis and theorising The readings themselves are subdivided into nine sections The first essay in each section is written by Burgess himself in order to locate the articles in a broader context and to highlight the key issues and the important questions Burgess has also provided a review of some of the major traditions in field research and a series of brief guides to further reading on the major topics covered in each of the sections Particular attention has been paid to the use of annotated reading lists and the preparation of a very full bibliography *Field Research A Sourcebook and Field Manual* will be an essential textbook for students of social research or field research at both the undergraduate and post graduate levels In addition it will provide valuable guidance for workers in the social sciences engaged in research in the field

When the Music Stopped Thomas J. Cottle, 2004-01-01 A son's coming to terms with his mother's decision to abandon her career as a concert pianist in order to raise her children **Opening and Closing** Klapp, 1978-09-29 In this original application of information theory to social analysis Orrin Klapp examines how and why societies are producing more stress than they ever can handle He argues that the reduction of social noise the chaos from which we try to construct meaning is a major goal of individuals and groups alike Individuals groups even entire societies normally cycle rhythmically between two basic modes of adaptation to the constant communication flow opening or scanning for desired information and closing or defending against noise For example in a society functioning in the opening mode movements like ecumenicism and expansionism achieve momentum Extreme reactions in either mode lead to an opposite swing according to Professor Klapp's model His wide ranging conceptual scheme incorporates hypotheses about the variety and redundancy of information as well as about human channel capacities and the need for homeostasis His research reveals intriguing relationships among such phenomena as the concern about industrial population and the search for ethnic roots *Drawing Life* Thomas J. Cottle, 2013-11-21 In *Drawing Life* Thomas J. Cottle examines the ways people interpret their life experiences and construct meanings for the events they have encountered In this manner they discover their various identities and the essence of what we call the self In reading the sixteen life studies contained in this volume we encounter both inner reflections as well the power of culture to shape the meanings people give to their circumstances and the events that befall them The stories also

reflect the role of human relationships and social institutions in defining our personal identities and sense of justice What makes us unique therefore is the personal story we tell as it reveals our constructions of the world and of ourselves The stories recounted in *Drawing Life* illuminate not only our past but also our perceptions of the present and our imaginings of the future In this way they become anthologies of our life experiences Introduction to Qualitative Research Methods Steven J. Taylor, Robert Bogdan, Marjorie L. DeVault, 2015-10-19 An informative real world guide to studying the why of human behavior Introduction to Qualitative Research Methods is a practical comprehensive guide to the collection and presentation of qualitative data Unique in the market this book describes the entire research process from design through writing illustrated by examples of real complete qualitative work that clearly demonstrates how methods are used in actual practice This updated fourth edition includes all new case studies with additional coverage of mixed methods non sociological settings funding and a sample interview guide The studies profiled are accompanied by observation field notes and the text includes additional readings for both students and instructors More than just theory this guide is designed to give you a real world practitioner s view of how qualitative research is handled every step of the way Many different disciplines rely on qualitative research as a method of inquiry to gain an in depth understanding of human behavior and the governing forces behind it Qualitative research asks why and how and the data is frequently complex and difficult to measure This book shows you how to effectively handle qualitative work regardless of where it s being applied Understand the strengths and limitations of qualitative data Learn how experts work around common methodological issues Compare actual field notes to the qualitative studies they generated Examine the full range of qualitative methods throughout the research process Whether you re studying sociology psychology marketing or any number of other fields especially in the social and behavioral sciences human behavior is the central concern of your work So what drives human behavior That s what qualitative research helps to explain Introduction to Qualitative Research Methods gives you the foundation you need to begin seeking answers **Intimate Appraisals** Thomas J. Cottle, 2002 An eminent sociologist offers insightful impressions and discussions of American culture and the ways it both liberates and imprisons various social groups *American Book Publishing Record* , 1977-03-31 Here s quick access to more than 490 000 titles published from 1970 to 1984 arranged in Dewey sequence with sections for Adult and Juvenile Fiction Author and Title indexes are included and a Subject Guide correlates primary subjects with Dewey and LC classification numbers These cumulative records are available in three separate sets **Catalyst** , 1981
