The Abbey Theatre Series of Plays Frances-Jane French,1970 Abbey Theatre Series of Plays Frances-Jane French,1968-12 **A Bibliography of Modern Irish Drama 1899-1970** E.H. Mikhail,1972-06-18 **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries *New Plays from the Abbey Theatre* Judy Friel,Sanford Sternlicht,2003-02-01 In Hugh Leonard s *Love in the Title* a woman s visit to the Irish countryside leads to a surreal meeting with her own mother as a thirty year old in 1964 and her grandmother as a twenty year old in 1932 The frank exchanges that mark this meeting allow the women to remain in and represent their times yet still communicate with each other The next play Frank McGuinness s *Dolly West s Kitchen* is set a small house in Donegal 1944 a meeting place where two American GI s a British Army captain and the fiercely nationalistic West family share meals and talk of love war and betrayal Finally The *Muesli Belt* by Jimmie Murphy examines the ramifications of renewal and relocation in the urban centers of western Ireland as a greedy property developer bent on buying up everything in sight to build high rent flats and chic eateries throws locals into despair *The Abbey Theatre* E. H. Mikhail,1988-01-01 The present work is a composite biography that provides a forum to most of those who have been associated with the Abbey Theatre from the beginning to the present time actresses actors playwrights men of letters producers directors stage carpenters house electricians and supporters of the theatre It is hoped that the method used in this book will give a different impression from that of previous histories of the Theatre and on balance probably a truer one Catalog of the Theatre and Drama Collections: Theatre Collection: books on the theatre. 9 v New York Public Library. Research Libraries,1967 *Irish Literature* Mary Ketsin,2004 Irish literature s roots have been traced to the 7th 9th century This is a rich and hardy literature starting with descriptions of the brave deeds of kings saints and other heroes These were followed by generous veins of religious historical genealogical scientific and other works The development of prose poetry and drama raced along with the times Modern well known Irish writers include William Yeats James Joyce Sean Casey George Bernard Shaw Oscar Wilde John Synge and Samuel Beckett **Foreign Acquisitions Newsletter** ,1970 **Contemporary British Literature** John Matthews Manly,Edith Rickert,1928
