The Abkhazians A Handbook

Jesse Dillon Savage

The Abkhazians A Handbook:

The Abkhazians George Hewitt, 2013-11-19 This handbook provides a ready introduction and practical guide to the Abkhazian people and language. It includes chapters written by experts in the field covering all aspects of the people including their history, religion, politics, economy, culture, literature, and media, plus pictures, chronologies, and appendices of up to date statistics, maps, and bibliographies. This volume forms part of the Peoples of the Caucasus series which is an indispensable and accessible resource to all those with an interest in the Caucasus: journalists, aid workers, regional specialists in government, law, banking, accounting, as well as tourists, business people, students, and academics.

The Abkhazians George B. Hewitt, 1998 The Abkhazians are an ancient Caucasian people living mainly on the eastern shores of the Black Sea in the shadow of the Great Caucasus Mountains. Aside from their Caucasian homeland of Abkhazia, there are significant numbers of Abkhazians and their descendants settled throughout Russia and the Middle East, particularly Turkey. Their history, like other peoples and nations of the region, has been closely linked with the expansion of the Russians; the collapse of the Soviet Union, however, resulted in further domination, this time by the Georgian Republic, leading to the catastrophe of the War of 1992-3 and the scattering of the people that followed. With the publication of this book, which includes an entirely new interpretation of Abkhazia's union with Russia over the period from the 18th century to 1917, the relevant facts about Abkhazia have finally become accessible to the English speaking world.

The Abkhazians George Hewitt, 2013-11-19 This handbook provides a ready introduction and practical guide to the Abkhazian people and language. It includes chapters written by experts in the field covering all aspects of the people, including their history, religion, politics, economy, culture, literature, and media, plus pictures, chronologies, and appendices of up to date statistics, maps, and bibliographies. This volume forms part of the Peoples of the Caucasus series which is an indispensable and accessible resource to all those with an interest in the Caucasus: journalists, aid workers, regional specialists in government, law, banking, accounting, as well as tourists, business people, students, and academics.

Discordant Neighbours: A Reassessment of the Georgian-Abkhazian and Georgian-South Ossetian Conflicts B. George Hewitt, 2013-03-27 The 2008 Georgian-Russian war focused the world's attention on the Caucasus. South Ossetia and Abkhazia had been de facto independent since the early 1990s. However, Russia's granting of recognition on 26 August 2008 changed regional dynamics. The Caucasus is one of the most ethnically diverse areas on earth, and the conflicts examined here present their own complexities. This book sets the issues in their historical and political contexts and discusses potential future problems. This volume is distinguished from others devoted to the same themes by the extensive use of the author, a Georgian specialist, of Georgian sources inaccessible to most commentators. His translated citations thus cast a unique and revealing light on the interethnic relations that have fuelled these conflicts.

Lazuri: An Endangered Language from the Black Sea Züleyha Ünlü, Brian George Hewitt, 2023-05-09 Lazuri, an Endangered Language of the Black Sea, is a unique source in terms of presenting a close

examination of the Laz language from multiple perspectives This volume edited by Z leyha nl and Brian George Hewitt examines the current status of the Laz language Laz speakers perceptions of ethnolinguistic vitality the significance of the Laz language for theoretical research in linguistics the examination of Laz lexical data from historical documents the linguistic variation of the Laz language the use of a Laz alphabet in literary genres contemporary responses to preserve the Laz language and reflections from applied linguistics for the future of the Laz language Focusing on the main features of the Laz language and its present situation in Turkey and in other regions as well as the attempts to revitalize Laz and Laz culture this book will be the first scholarly publication on Laz as a South Caucasian language in terms of being a road map for future studies

Political Survival and Sovereignty in International Relations Jesse Dillon Savage, 2020-03-12 Shows how domestic politics creates incentives for political actors to surrender sovereignty to outside powers

Opportunity, Identity, and Resources in Ethnic Mobilization Ahmed Abdel-Hafez Fawaz, 2017-06-15 Recent unrest and political upheaval in Iraq and Georgia have brought attention to the place of minority populations in both countries Using Iraqi Kurds and the Abkhaz of Georgia as case studies this book addresses how ethnic identities become politicized across boundaries by states and political entrepreneurs leading to mobilization of ethnic populations This book bridges Middle Eastern studies with Post Soviet studies exploring the commonalities of cases in these regions to draw out patterns in cases of ethnic mobilization It also provides a theoretical framework to examine the process of ethnic mobilization Building on this theoretical framework the book provides a detailed empirical analysis of the case studies of the Kurds in Iraq and the Abkhaz in Georgia Analysis of both cases shows several common variables in cases of ethnic mobilization including ethnic entrepreneurs political opportunity structure ethnic identity politicization and resource mobilization These variables form the environment in which ethnic mobilization occurs motivated by such factors as state policy towards ethnic groups and external intervention to support ethnic groups

Nart Sagas from the Caucasus , 2014-09-15 The Nart sagas are to the Caucasus what Greek mythology is to Western civilization This book presents for the first time in the West a wide selection of these fascinating myths preserved among four related peoples whose ancient cultures today survive by a thread In ninety two straightforward tales populated by extraordinary characters and exploits by giants who humble haughty Narts by horses and sorceresses Nart Sagas from the Caucasus brings these cultures to life in a powerful epos In these colorful tales women not least the beautiful temptress Satanaya the mother of all Narts are not only fertility figures but also pillars of authority and wisdom In one variation on a recurring theme a shepherd overcome with passion on observing Satanaya bathing alone shoots a bolt of lust that strikes a rock a rock that gives birth to the Achilles like Sawseruquo or Sosruquo With steely skin but tender knees Sawseruquo is a man the Narts come to love and hate Despite a tragic history the Circassians Abazas Abkhaz and Ubykhs have retained the Nart sagas as a living tradition The memory of their elaborate warrior culture so richly expressed by these tales helped them resist Tsarist imperialism in the nineteenth century Stalinist suppression in the twentieth and has bolstered their ongoing

cultural journey into the post Soviet future Because these peoples were at the crossroads of Eurasia for millennia their myths exhibit striking parallels with the lore of ancient India classical Greece and pagan Scandinavia The Nart sagas may also have formed a crucial component of the Arthurian cycle Notes after each tale reveal these parallels an appendix offers extensive linguistic commentary With this book no longer will the analysis of ancient Eurasian myth be possible without a close look at the Nart sagas And no longer will the lover of myth be satisfied without the pleasure of having read them Excerpts from the Nart sagas The Narts were a tribe of heroes They were huge tall people and their horses were also exuberant Alyps or Durduls They were wealthy and they also had a state That is how the Narts lived their lives The Narts were courageous energetic bold and good hearted Thus they lived until God sent down a small swallow The Narts were very cruel to one another They were envious of one another They disputed among themselves over who was the most courageous But most of all they hated Sosruquo A rock gave birth to him He is the son of a rock illegally born a mere shepherd s son **Countries**

That Aren't Really Countries , Abkhazia: 1992-2022 Metin Sonmez, 2022-10-12 The 14th of August 2022 is the 30th anniversary of the start of the war between the Georgians and the Abkhazians in the decades long dispute over ownership of the small territory known to the autochthonous Abkhazians as Apsny to the Georgians as apxazeti and to most of the world as Abkhazia For much of the world the territory remains either a thoroughly unknown or at best poorly known country and for many a disputed region This project is the continuation of the earlier Reflections on Abkhazia 14 August 1992 2012 which was completed 10 years ago It aims to bring together different points of view on Abkhazia and the Georgian Abkhazian conflict The authors were given complete freedom regarding the content of their texts The views they express in their contributions for this project do not necessarily reflect the views of the AbkhazWorld com website The texts have been listed alphabetically according to the names of the authors List of authors Aivar J rgenson Senior Research Fellow in the School of Humanities Tallinn University Estonia Senior Research Fellow in Literature Museum Estonia Alexander Iskandaryan Political scientist the Director of the Yerevan based Caucasus Institute Armenia Aslanbek Mirzoev Historian Institute for Humanitarian Studies branch of the Kabardino Balkarian Scientific Center of the Russian Academy of Sciences Nalchik He was a former Circassian volunteer from Kabarda Kabardino Balkaria Russia Beslan Kobakhia The public and political figure of Abkhazia During the 1992 93 Georgian Abkhazian War he was head of the government commission for the exchange of prisoners of war and the protection of the civilian population Abkhazia Cem Kumuk Independent researcher and writer on the history of the Caucasus for about 40 years Turkey Charlotte Hille Assistant professor at the Department of Political Science University of Amsterdam Dr Hille is specialised in State building conflict resolution and international mediation Netherlands Christopher Langton Director of The Independent Conflict Research Project Director at Human Rights Center Former Public Defender of Georgia Georgia Uwe Klussmann Freelance Journalist He was a correspondent for the magazine Der Spiegel in Moscow from 1999 until 2009 During that time he travelled to Abkhazia thrice Germany mit Din er President
