theatrical training set out to create onstage opportunities for her magical baby girl and succeeded Rose followed her own star and created two more in dramatic and colorful style Baby June became a child headliner in vaudeville and Louise grew up to be the well known burlesque star Gypsy Rose Lee The rest of Mama Rose s remarkable story included love affairs with both men and women the operation of a lesbian pick up joint where she sold homemade bathtub gin wild attempts to extort money from Gypsy and June two stints as a chicken farmer and three allegations of cold blooded murder all of which was deemed unfit for the script of Gypsy Here at last is the rollicking wild saga that never made it to the stage **Between the Thunder and the Sun** Vincent Sheean,2022-08-31 He s done it again this author of Personal History and Not Truth but a Sword In a sense this is quite different It has the same quality of immediacy the same sureness of foresight the same gift for being at the right place at the right time for a correspondent that is though he probably curses his missing Pearl Harbor by inches once again he shows his ability to blend fast paced adventure with human bits of anecdote and by paths of quiet descriptive writing Where then is this different There is more analysis of mood and emotional values of the whys and hows before the events there are more sharp contrasts The opening chapters seem to find him audience to the fiddling while Rome burned albeit with full and angry awareness of the burning An idyll of a Salzburg Festival of holidays on the Riviera and then the sweep of events from 1937 onto a post mortem on Pearl Harbor all recorded with vigor and color and an occasional whirl for the socialites Kirkus Reviews This volume was compiled when the author was a civilian journalist in Europe and Southeast Asia He then joined the military and was a major in the Army Air Force at the time of this book s publication **Horror and Mystery Photoplay Editions and Magazine Fictionizations** Thomas Mann,2024-10-11 Photoplay editions were usually hardcover reprints of novels that had been made into movies illustrated with photographs from the film productions Sometimes instead they were fictionized versions of film scripts rewritten in narrative form Here is an annotated checklist of more than 500 horror and mystery photoplay novels and magazine fictionizations collected over a period of four decades Photo illustrated stories that are not strictly in the horror or mystery genres are included if they are linked to films with such stars as Lon Chaney Boris Karloff Bela Lugosi or other genre figures Mysteries are generally defined as novels or stories featuring a detective as the central character although in some cases melodramas thrillers and film noir books having crime as a plot element are included Science fiction and fantasy works and others having outre aspects are also within scope With a few exceptions the cut off date for inclusion in the catalog is the year 1970 In an entertaining introductory essay the author reflects on the attractions of assembling such a collection analyzes aspects of the social significance and aesthetic content of its books and draws many surprising inferences from their advertisements illustrations and marks of previous ownership The subsequent catalog is the first survey in the field to extend bibliographical coverage beyond books to movie tie in magazine stories Included in an appendix is the complete text of The Gorilla a short story version of a lost First National Film reprinted from a rare issue of Moving Picture Stories from 1927 **Stories My Father Told Me: Notes from "The Lyons Den"**
