Childhood by Design Megan Brandow-Faller, 2018-04-19 Informed by the analytical practices of the interdisciplinary material turn and social historical studies of childhood *Childhood By Design* Toys and the Material Culture of Childhood offers new approaches to the material world of childhood and design culture for children This volume situates toys and design culture for children within broader narratives on history art design and the decorative arts where toy design has traditionally been viewed as an aberration from more serious pursuits The essays included treat toys not merely as unproblematic reflections of socio cultural constructions of childhood but consider how design culture actively shaped commodified and materialized shifting discursive constellations surrounding childhood and children Focusing on the new

array of material objects designed in response to the modern invention of childhood what we might refer to as objects for a childhood by design Childhood by Design explores dynamic tensions between theory and practice discursive constructions and lived experience as embodied in the material culture of childhood Contributions from and between a variety of disciplinary perspectives including history art history material cultural studies decorative arts design history and childhood studies are represented critically linking historical discourses of childhood with close study of material objects and design culture Chronologically the volume spans the 18th century which witnessed the invention of the toy as an educational plaything and a proliferation of new material artifacts designed expressly for children s use through the 19th century expansion of factory based methods of toy production facilitating accuracy in miniaturization and a new vocabulary of design objects coinciding with the recognition of childhood innocence and physical separation within the household towards the intersection of early 20th century child centered pedagogy and modernist approaches to nursery and furniture design through the changing consumption and sales practices of the postwar period marketing directly to children through television film and other digital media and into the present where the line between the material culture of childhood and adulthood is increasingly blurred

Pop Art and Design Anne Massey,Alex Seago,2017-11-30 This book offers the first in depth analysis of the relationship between art and design which led to the creation of pop Challenging accepted boundaries and definitions the authors seek out various commonalities and points of connection between these two exciting areas Confronting the all pervasive high art low culture divide Pop Art and Design brings a fresh understanding of visual culture during the vibrant 1950s and 60s This was an era when commercial art became graphic design illustration was superseded by photography and high fashion became street fashion all against the backdrop of a rapidly evolving economic and political landscape a glamorous youth scene and an effervescent popular culture The book s central argument is that pop art relied on and drew inspiration from pop design and vice versa Massey and Seago assert that this relationship was articulated through the artwork design publications and exhibitions of a network of key practitioners Pop Art and Design provides a case study in the broader inter relationship between art and design and constitutes the first interdisciplinary publication on the subject

Minnesota 1900 Michael Conforti,1994 This book examines advances in architecture design and painting in a region widely recognized for its contribution to the Arts and Crafts and Prairie School movements It features the work of many well known American artists including the architects Cass Gilbert Harvey Ellis Frank Lloyd Wright Purcell and Elmslie ceramicist and Arts and Crafts philosopher Ernest Batchelder and the painters Homer Dodge Martin and Alexander Fournier The six essays also focus on the ceramic and metalwork production of the Handicraft Guild of Minneapolis the Craftshouse of John Bradstreet and American Indian art and artifacts created both for native and white use at the time Alan Lathrop discusses Minnesota architecture by combining his knowledge of architectural practitioners of the time with an awareness of international stylistic trends particularly the tradition of the Ecole des Beaux Arts in this first overview of the state s

architecture of the period ever published Michael Conforti and Jennifer Komar link the development of retailing in the late nineteenth century to the interior design practice and Arts and Crafts production of John Bradstreet Thomas O Sullivan provides a study of Robert Koehler one of the region s most respected painters while he reviews the work of over two dozen of the state s other painters working at the time The special communal nature of Minnesota s artistic life is emphasized in Marcia Anderson s contribution Her study of the Handicraft Guild of Minneapolis presents years of archival research on the Guild which she presents in the context of the international Arts and Crafts movement Mark Hammons provides the first monograph ever published on the architectural partnership of Purcell and Elmslie the most commissioned architects of the Prairie School after Frank Lloyd Wright Hammons analyzes the team centered working process of the firm and relates their creative process and formal vocabulary to the contemporary metaphysical discourse that was the foundation of their architectural philosophy Louise Lincoln and Paulette Molin study the nature of relationships between whites and the Chippewa and Dakota Indians in their discussion of native material culture Lincoln and Molin decode a complex nuanced cultural interchange embodying both traditional and assimilationist trends Their essay is the first in depth examination of the range of American Indian art from this region one that considers both objects crafted for native use and those produced for the tourist market BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved
