The Hangman's Ghost G.M.Hague, Jacob Good was a man who could expect to see many ghosts Angry spirits and the wraiths of men and women filled with hate for Jacob parading their soured souls in front of him surrounding Jacob with their rage After all Jacob had killed a lot of people As the Principal Hangman at Willengarten Prison it was Jacob s responsibility to dispatch the condemned prisoners to the next world He believed all the guilty should be hanged if that was their fate Now a frightening tragic ghost is taunting Jacob as he s about to retire making his life a nightmare demanding that Jacob make sure the last guilty murderer doesn t miss their appointment with Jacob s noose But who is to be Jacob s final victim And do they deserve to escape the rope or not Will Jacob s last killing be a dreadful mistake *How to Behave and How to Amuse* G. H. Sandison,2020-08-14 Reproduction of the original *How to Behave and How to Amuse* by G H Sandison *Ghost* Christina Maraziotis,2023-10-21 Completing the initial Loveletting trilogy of Haunt and Curse Ghost ties it all together Dive deeper into the characters you know Meet dramatis personae you wish you hadn t Go places with both you d never imagined More questions will arise for each that is answered as the world building unfurls nothing is as it seems The Loveletting saga picks up in Ghost right after the cliffhanger events of Curse although not straight away as new characters merge into the story along with old favorites A gripping plot that doesn t stray away but intertwines instead stretching across the whole series for readers to bond explore and abhor Powerfully developed characters that will inspire amuse provide answers and pose new questions introducing riddles along the way and beguiling enigmas you may have to piece together for the upcoming books Great mysteries will be revealed within the pages as backstories and secrets that are unraveled only to challenge both the mind and the morals The world explored in Ghost will not see the shadows wane instead new ones will be cast with a touch of magical realism and a heavy dose of sinister psychological horror all intertwined with the overarching storyline of a deeply gothic romance This journey will draw you in with the inception of a true evil that festers the mind and a new character that will have your skin crawling until the very end Ghost is gut wrenching unapologetic raw and honest depicting the most elementary mistakes of mankind to be made but also the most convoluted But above all the question will be answered whose eyes locked with Charlotte s before the world dissolved into a blank void Whose face was marred to the skull And whose mask will be the last to fall *How to Behave and How to Amuse: A Handy Manual of Etiquette and Parlor Games* George H.
