Simak, 2015-12-01 From a Nebula and Hugo award winner one the best loved authors in SF A tale of humans and one robot navigating an alien puzzle world Publishers Weekly Following a conversation with a talking slot machine Professor Edward Lansing finds himself mysteriously transported to a tavern on a long and empty road It is immediately obvious to the educator that he is no longer on campus or even Earth and that he is not alone Lansing s new companions a female engineer a military officer a humorless priest a poetess and a robot named Jurgens all hail from

separate alternate realities and share Lansing's confusion. What is clear however is that they must continue down the road together encountering a series of bizarre sights, dangerous obstacles and perplexing puzzles along the way: an abandoned decaying city, a set of doorways, a large blue cube, a tower that sings. Soon it is apparent they are all being tested for some eerie inexplicable reason and the choices each must make will determine his or her future. Book jacket *PLENUM* Harlen Campbell, 2015-07-10. A sacrifice that altered the course of time. Arthur Penn was a sucker for a lost cause. He rescued an old man from an ambush and carried him to a hospital, but he didn't expect a one-way trip. He didn't expect to find himself fighting off an amorous girl a century before the Pilgrims' land. And he certainly didn't expect to be drafted into a bloody war raging across a thousand human centuries. Beautiful women. Brave men. Lonely machines. Terrifying aliens lost in a tunnel that connects every point in space and time. A ship that sails a universe so huge it can't be described in human words. A lady who wants to be a mother. A true woman with a disturbing talent with an axe. All hang on courage of a hero who'd rather be in Chicago. *The Land* Robert K. Swisher Jr., 2012-03-15. Crumbling Indian and Spanish ruins, lost gold and a modern ranch are all part of The Land, where centuries of men and women have lived, loved, fought and died. It is a novel of their hopes, dreams of wealth and power, their lust and greed. Symbolic of what this piece of earth means is the spear point made by Silver Moon and cast aside to be found by each successive generation. The spear point fills each possessor with the vision of the past and these ghostly visions have a determining effect on the fate of those who hold it in their hands. In the end, it is this ancient spear point that saves the ranch and its owner from disaster. ROBERT K. SWISHER JR. has been a ranch foreman and a mountain guide. An individual who knows the outdoors and western history, he has successfully combined these interests in stories, poems and novels. He is also the author of *The Last Narrow Gauge Train Robbery*, *Fatal Destiny*, *Only Magic Love Lies Bleeding*, *How Far The Mountain* and *Last Day In Paradise*, all from Sunstone Press. *Small Beneath the Sky* Lorna Crozier, 2011-05. A tender, unsparing portrait of a family. It is also a book about place. In this splendid volume of recollections, award-winning poet Lorna Crozier charts the geography that shaped her character and her understanding of the world. Page 4 of cover
