poisoned air and chemical pollution We are also very worried about the thinning ozone layer because it is definitely going to
have a bad after effect on our climate and then correspondingly on our health This is the reason why we are looking towards
the use of natural elements to keep us healthy and fit That is because we have understood the fact that chemical based drugs
are efficacious on a short term basis but they do not heal us long term Besides there is always the chance of dangerous side
effects And so our health is ruined because we could not prevent ourselves from popping that pill Ancient remedies on the
other hand have been passed down through centuries Many of us consider these remedies to be quack remedies because
many of them have not been subjected to scientific research and a stamp of experienced researchers telling you all right it is
useful to add a lot of cinnamon to your diet because that has been scientifically proven to cure 99% of bacterial and viral
infections Nevertheless there are a lot of infections which have been proven down the millenniums to be cured only by
practical and natural remedies Many of these practical remedies have been in use for thousands of years and are still in use
because they have proved their time tested efficacy over and over again in solving your health problems and curing you Best
you are going to be cured from the root and the effects are going to be long term No matter what ailment you suffer from you
can always do something with a little bit of knowledge and a little bit of help from nature to enhance your well being and
good health Many of us living in the cities are terrified of picking up any useful herbal plant material growing wild and which
we encounter when we are on open air ambles because we know that they have been contaminated from lead from vehicle
exhausts and also could have been sprayed with agri chemicals Also we do not have the herbal lore which was taught to our
ancestors by their ancestors There was a time when every proud housewife worth her salt knew all about herbs spices and
natural remedies and had a still room in which she used to brew herbal remedies to keep our family healthy and happy and
natural ointments to keep them youthful looking Gathering herbs from the wild can only be done by those botanists and
herbalists will have extensive knowledge of the beneficial points of plants So that is the reason why a large number of the
plants which I am going to describe to you in this book can be easily found in your local market *Healing Power of Garlic*
