The Living Church ,1977-07 **Moved by Mary** Willy Jansen,2022-03-01 The Virgin Mary continues to attract devotees to her images and shrines In *Moved by Mary* anthropologists geographers and historians explore how people and groups around the world identify and join with Mary in their struggle against social injustice and how others mobilize Mary to impose ideas and rules and legitimize acts of violence and suppression Far from an outdated practice of little relevance to the modern world Marian pilgrimage expresses the deep and urgent concerns of a wide range of people With examples of Marian pilgrimages from all over the world *Moved by Mary* explores the ways in which men and women of different ages and religious political social economic and ethnic backgrounds empower themselves to deal with modern day issues with Mary s help The ethnographic cases reveal the cultural and devotional variation of Marian pilgrimage but also global similarities Collectively the contributors to *Moved by Mary* show how in many places religion dramatically suffuses everyday life
