Allen Buchanan

The Heart Of Justice:

The Heart of Justice William J. Coughlin, 1995 A courtroom drama on a corporate takeover The protagonist is Judge Paul Murray judging the legality of an acquisition Murray s problem is that the corporate raider is a close friend of Murray s wife and it was due to the raider s influence that Murray received his appointment By the author of Shadow of a Doubt

Justice at the Heart of Liturgy Bryan Cones, 2025-08-01 The connection between liturgy and justice has long been assumed Faithful celebration of Eucharist would lead to just sharing of the fruit of the earth and the work of human hands Baptizing persons of every people and nation would yield societies in which each person treats another as a treasured image of God Regular faithful engagement with scripture would shape followers of Jesus into living words within the Word Yet centuries of Christian practice and decades of reflection on the connection between liturgy and justice continue to produce broken human relationships shaped by colonisation disparities based on colour and culture and nature broken by a climate crisis worked by human hands To Nevertheless essays in this collection seek to engage the unresolved tension between the world in which humanity lives and the one proposed in Christian common prayer Gerard Moore asks if the law of prayer that guides assemblies is tainted by an imperial shape that impairs its witness Anita Monro laments a lack of honesty in so many Christian gatherings where confession and lament are absent not least when assemblies gather on stolen land Stephen Burns responds to their prompts by proposing patterns that might steer common prayer toward more authentic kingdom scenes that signal God s dominion Annie Brophy applies such wisdom to her own Uniting Church in Australia asking whether its resources for prayer measure up to that church s stated commitment to justice in the matter of gender and reconciliation with Australia s First Peoples Jason McFarland and Angela McCarthy report on ecumenical efforts underway to right the relationship between human bodies at prayer and the continuous praise of the rest of creation Might an ecumenical Feast of Creation be a step in that direction Like so many questions posed by contributors to this volume the path to joining liturgy and justice walking hand in hand remains unclear

The Heart of Racial Justice Brenda Salter McNeil, Rick Richardson, 2022-01-11 Racial and ethnic hostility is one of the most pervasive problems the church faces What should our response be in a work torn apart by prejudice hatred and fear In this book Brenda Salter McNeil and Rick Richardson provide a model of racial reconciliation social justice and spiritual healing that creates both individual and communal transformation

The Heart of Catholic Social Teaching David Matzko McCarthy, 2009-03-01 This accessible introduction covers the complete history and contemporary contexts of the church s involvement in Catholic social tradition giving distinctive attention to the Bible liturgy the thought of Augustine and Aquinas and recent theological developments Bringing together veteran teachers of Catholic Social Teaching who have worked together on the content this book is designed to set social questions within the Catholic tradition and contemporary life End of chapter application sections address practical concerns such as racism in the church charity consumerism and talking with neighbors and coworkers

about moral issues Discussion questions case studies excerpts of church documents and suggestions for further reading enhance the book's usefulness It will work well for students of theology and ethics particularly Catholics but also Protestants who want to know more about the Catholic social tradition **The Heart of Human Rights** Allen Buchanan,2013-12 This book provides a moral assessment of the heart of the modern human rights enterprise the system of international legal human rights Any attempt to achieve a moral assessment of that enterprise must first evaluate the system of international legal human rights which includes both legal norms and the institutions that create interpret and implement them When philosophers have addressed the system of international legal human rights at all they have tended to assume that international legal human rights when they are morally justified mirror or at least help to realize preexisting moral human rights But international legal human rights like many other legal rights can be justified by appeal to several different types of moral considerations of which the need to realize preexisting moral individual rights is only one Justifying the system of international legal human rights requires not only advancing sound arguments for international legal human rights norms but also an account of the legitimacy of the institutions of the international legal human rights system It also requires showing that the legal rights in question should be part of a system of international law rather than merely being included in domestic legal systems Finally justification also requires an account of the supremacy of international human rights law a determination of whether and if so under what conditions international human rights law should trump domestic law including the constitutional law of the best existing liberal democratic states **The Heart of Racial Justice Bible Study** Brenda Salter McNeil,Rick Richardson,2022-01-11 For Christians pursuing racial justice and reconciliation begins with following Scripture and the voice of the Holy Spirit asking God to give us new eyes and hearts In this five session Bible study readers will learn how the early church engaged with issues of reconciliation and how we too can commit ourselves to discipleship prayer community and witness in alignment with God's call **Putting Social Justice and Equity at the Heart of Reading for Pleasure** Jane Carter,2025-03-31 This essential book discusses what reading for pleasure is and what it is not introducing some fundamental ideas about how we learn to read and how this process can impact a child's identity as a reader in classrooms that promote equality inclusion and diversity The profile and importance of Reading for Pleasure has grown significantly over the last few years and is now firmly embedded in both government policy and the Ofsted framework Developing a Reading for Pleasure school that is truly inclusive of the whole school community however can require a culture shift in relation to the teaching of reading representation in the reading environment and the knowledge and attitudes of the school community This book seeks to use the current research teacher case studies and the voices of children to address some of the issues that teachers and pre-service teachers encounter when trying to develop an inclusive Reading for Pleasure culture within their schools Each chapter is co-authored by teachers and researchers and includes case studies and children's perspectives It provides practical and evidence-based advice lesson ideas and creative ideas to both support and challenge
