## **The Heart Of The Christian Faith:**

The Heart of the Christian Faith Donald Coggan, 1978      *The Triune God of Christian Faith* Mary Ann Fatula, 1990 A Michael Glazier book Includes bibliographical references p 119 123 and index      The Prodigal God Timothy Keller, 2011-03 Uses the Parable of the prodigal son to provide an introduction to Christianity      Way of Love Norman Wirzba, 2016-03-01 The pioneering scholar and author of *Food and Faith* and *Living the Sabbath* asserts that Christianity has slid off its rightful foundation arguing that the faith only makes sense and can only be expressed in a healthy way if it seen as based on love with a mission of training others in the way of love It s often said that God is love yet his message of compassion and caring for others is often overshadowed by the battles dividing us politically culturally and religiously Why does Christianity matter if it isn t about love asks Duke University professor of Theology and Ecology Norman Wirzba *The Way of Love* invites readers to experience Christianity that is centered on love Extensive theological training cannot replace the way of love that transforms and connects each of us to God and the faith Wirzba contends Interweaving illuminating testimonials historical references and Scripture he reveals how love allows us to move into the fullness of life when we do not love we lose our faith To fail to love he reminds us is to lose God      **The Heart of the Christian Faith** Francis Shunk Downs, 1937      **Why are the Four Gospels the Heart of the Christian Faith?** Raffaello Martinelli,      *The Heart of the Church* Joe Thorn, 2017-03-07 What does the church believe Every church has a driving confession but what is the confession of a true and biblical church *The Heart of the Church* answers with the gospel It explains the story of the gospel its basic doctrines and God s work in salvation Fresh yet consistent with classic expressions it helps churches reclaim their essential identity and return from distracting pursuits Useful for training in membership classes discipleship groups and elder boards and even for devotional reading *The Heart of the Church* is at once theological practical and experiential Readers will not simply be informed but led to believe in rejoice in and be transformed by the truth of God for His gathered people Without the gospel the church does not exist This book is Thorn s full and detailed exploration of the message that is indispensable to the church s life and identity For any church lacking power any Christian feeling dry or any person seeking truth *The Heart of the Church* brings relief direction and light leading to worship      The Anatomy of the Heart JaNeen Dancy, 2016-04-05 It is with the heart that we believe When we receive Jesus into our hearts we are declared His own and are transformed into His likeness into a new person in Christ The sad reality is that while many Christians truly believe they struggle to find a clear picture of how spiritual transformation is to take place in their life Over and over the Bible points to the heart as the agent of our transformation but the scriptures do not refer to the physical heart beating in our chests But could they What if the physical heart could serve as a compelling model of spiritual development and transformation Drawing from examples in scripture as well as her own challenges with grasping the concept of spiritual transformation in *The Anatomy of The Heart* JaNeen Dancy challenges readers to take a closer look at the physical heart for insightful analysis of the spiritual heart The

hearts at the center of our physical life and spiritual life may be more similar than we know and a greater understanding of one may lead to a deeper understanding and ultimate victory in the other      *Looking upon the Heart* Pete Carlson, MFT, 2020-06-09 BY LOOKING UPON THE HEART WE CAN ALL BE CHANGED IN AN INSTANT AND LIVE LIFE MORE ABUNDANTLY The mystery of the biblical heart is unveiled by integrating psychology and Scripture to delineate the five dispositions of the heart the choice of which we morph into could either enhance or hinder the attainment of abundant life in Christ Throughout time people have been searching for the meaning of life and the way to find fulfillment It is the intention of this book to show how by Looking upon the Heart where Jesus may live we can actualize healing and holiness at any moment in time In this in depth Christian psychology and self help textbook the reader is enlightened as to what good and bad choices we can make about our character and personality the goal is to consistently be transformed morphed out of the unhealthy dispositions of the heart the broken heart and the hard heart into healthier ones the open heart sweet heart and the brave heart Our first basic premise is that we all believers and unbelievers alike can and do spontaneously morph continually in and out of various dispositions character states and personality styles and so are capable of immediate transformation The second premise is that grace must prevail we all would be hypocrites if we judged because we are all morphing having our good moments and bad at any particular moment in real time Ultimately the overall perspective is that the heart should be the most important human entity known to man The heart is the primary gatekeeper and decision maker and therefore the overall determiner of the whole person s behavior personal growth and spiritual maturity We are to embrace a complete understanding of the biblical heart its five dispositions in order to overcome psychological behavioral and relational dysfunction and sin Only then can we successfully and consistently experience oneness with God through Jesus living and actively operating within our hearts As a result of Looking upon the Heart the Lord reigns and leads us to a life of victory in Jesus      **The Heart of Christian Belief** Stephen M.D. Duff, 2024-10-22 The whole basis of Christianity and thus salvation is to believe in Jesus Christ Believing we are saved because we attend church or attempt to be a nice person plus undertake the activities our church asks of us is not the same as understanding how and why Jesus is our Christ for us to thus believe in Him In simple step by step logical and easy to follow terms this book attempts to bring a heart felt understanding as to who how and why Jesus is both as a person and as our Christ to thus bring us into the eternal salvation of the love song we are each created to become In Hebrews the Bible states that God will reward the people that diligently seek God

*God's Glory Alone---The Majestic Heart of Christian Faith and Life* David VanDrunen, 2015-12-01 Renowned scholar David VanDrunen tracks the historical and biblical roots of the idea that all glory belongs exclusively to God God s Glory Alone is a beautiful reflection on how commitment to God s glory alone fortifies us to live godly lives in this present age Reinvigorating one of the five great declarations of the Reformation soli Deo gloria VanDrunen Examines the development of this theme in the Reformation in subsequent Reformed theology and confessions and in contemporary theologians who continue to be

inspired by the conviction that all glory belongs to God Turns to the biblical story of God's glory beginning with the pillar of cloud and fire revealed to Israel continuing through the incarnation death and exaltation of the Lord Jesus Christ and culminating in Christ's Second Coming and the glorification of his people Addresses several of today's great cultural challenges and temptations that attempt to draw us away from a God centered instead of self centered way of life This book leads you into a renewed sense of awe and adoration for our Creator and Redeemer as it mines deeply into the biblical and theological truths about God's glory that stand at the center of the Christian faith THE FIVE SOLAS Historians and theologians have long recognized that at the heart of the sixteenth century Protestant Reformation were five declarations often referred to as the solas These five statements summarize much of what the Reformation was about and they distinguish Protestantism from other expressions of the Christian faith that they place ultimate and final authority in the Scriptures acknowledge the work of Christ alone as sufficient for redemption recognize that salvation is by grace alone through faith alone and seek to do all things for God's glory The Five Solas Series is more than a simple rehashing of these statements but instead expounds upon the biblical reasoning behind them leading to a more profound theological vision of our lives and callings as Christians and churches

Peters, 2009-03-01 Philosopher James R Peters defends the reasonableness of the Christian faith in *The Logic of the Heart* He paves a middle road between the Enlightenment's worship of reason and postmodernism's emphasis on freedom and self rule He delves into the thought of theologian St Augustine and philosopher mathematician Blaise Pascal and engages the skeptic David Hume who argued against the possibility of miracles Throughout this process Peters provides an alternative to postmodern thought as well as the widespread New Atheism This work is appropriate for undergraduate and graduate students pursuing studies in philosophy of religion and historical theology Since Peters writes in nontechnical language readers interested in the relationship between faith and reason will also benefit from *The Logic of the Heart*      Christ in the will, the heart, and the life. Bawcom, 2023-10-18 The way you think of prayer will influence the way you approach praying If perceived as mere duty and obligation there will be no relational joy experienced However if prayer is participation in a vital

connection an essential lifeline between your soul and your God through Jesus Christ prayer moves into a different light a new perspective a living relationship Prayer presents itself as God s gift and the only avenue to enjoy communion with the Godhead the Father the Son and the Holy Spirit Think of it actual connection and companionship between you and the Almighty Understanding this relationship purchased by Christ is the purpose of the book you hold in your hands The Lord Jesus found great delight in the presence of his Father The bond of eternal love satisfaction and enriching fulfillment clearly displayed itself in the atmosphere of his prayers If you heard him you would want him to teach you to pray God the Father knew this about you The disciples witnessed Christ praying and it compelled them to ask Lord teach us to pray This little volume expounds his answer The nurturing influence of Christ through the indwelling Holy Spirit gives life to genuine prayer in the child of God Prayer is not overcoming God s reluctance to bless us Rather it is laying hold of his great willingness to do so Come and enter the heavenly atmosphere of this reality Developing an effectual prayer life is a process of growth in the believer s relationship with God It is an invitation to be a colaborer with God in Christian maturity It is a lifelong pursuit This book expounds on some of the essential ways Christ nourishes the soul in effectual prayer
