Please Don't Break An Angel's Heart Faith Ford,2015-12-28 The twin boys were separated at a young age Please Don't Break an Angel's Heart will take you through the adventures they each encountered as they strived to reunite **After Eden (Fallen Angels, Book 1)** Katherine Pine,2013-12-01 Devi knows she shouldn't trust the new employee at her favorite used bookstore Sure he's funny smart and hands down the sexiest guy she's ever met but something dark lurks behind his unassuming smile and sinful green eyes Still a girl can't always afford to be picky When an angel abducts your twin brother it should come as no surprise that the one person who can help you get him back is a demon and only if you're willing to pay his price Keywords YA Paranormal Romance Angels Demons Young Adult Fantasy Romance *On First Name Terms With Angels* Ross Friday,2007-02-08 On any other night and at any other time it wouldn't have seemed possible If it wasn't for the cameras silently rolling in just the right place at just the right time capturing the devastating and unprecedented scene nobody would have believed it could happen in such a previously uneventful stretch of road even those who were there would have doubted what they saw It's Christmas Eve in the city The streets are alive with crowds excitedly bustling below the thousands of fairy lights and panicking about tomorrow like they didn't know it was coming whilst others are literally wishing it wouldn't These total strangers have just one thing in common that what had been the loneliest night of the year had now become the loneliest night of their lives Alone and afraid they sink deeper into their own private chasms until there appears to be only one way out But when their very different worlds collide mere coincidences mount until even the most cynical amongst them can only interpret the escalating events as fate and it's undeniable that miracles can exist everything happens for a reason and whatever life's worth it's at least worth living An inventive poignant witty and highly original masterpiece that refuses to be confined by the restraints of any conventional genre at times as macabre as it is heartbreaking but ultimately so life affirming it could actually alter the way you look at the world I defy anyone to remain emotionally unaffected Neil Sean The Metro Sky News For more information please visit www.rossfriday.com *Angels Watching Over Me* Carol Roach,2007-05-01 Carissa Forbes a young Black girl of seventeen leaves her beloved family in rural Nova Scotia to make a life for herself in the Montreal Quebec Canada Much befalls this young girl as she tries to adapt to big city life She meets and falls in love with a French Canadian man and is faced with an awful truth at the end of their relationship that

changes her life forever Carissa has an extraordinary ability to communicate with angels In all of this Carissa maintains contact with the spirit world even when she ignores the warnings Imaginary friends dreams fortune tellers and special numbers all play an integral part of this woman s life until the end of her journey Once her daughter marries and creates a life for herself Carissa is finally at peace Her angels have come through for her and she is finally happy *Shadows of London: Angels, Demons and Mages* Stuart Hickton,2013-02-12 The third book in the series Another collection of short stories set in the supernatural setting in London As a person from Dillon s past is thrust into his world again the group stumble across a plot that could once again threaten the world they live in Demons mages and even Angels rise to decide the fate of humanity **Angels With Broken Wings** David R. Branon,2015-07-14 Today s inflammatory headlines come to satiric life in this convoluted tale of self serving hustlers as Detective Lawrence Striker and FBI Special Agent Cassandra Cassidy put their heads and other things together to weave their way through the violent eruptions of racial animosities and the rabble rousing buzzards who feast on those divisions There are crimes to solve but as the story evolves the layers of the fetid onion are peeled away to expose the maggots of deception and double dealing In an early morning shootout on the mean streets of River City two African American teenagers are gunned down by the cops and that heralds the emergence of the devious and race baiting Reverend Abraham Castille to media driven national prominence as he with incendiary rhetoric escalates civil protest into open warfare As flames threaten to consume the city a kindly old lady who was witness to the shootout is murdered the city s police commissioner is assassinated and the rioting spins inexorably out of control and spreads with lethal effect to other parts of the country Striker and Cassidy are sucked into a cesspool of evil doings that include a drug trafficking network that reaches from River City all the way to Russian mobsters in Chicago In this miasma of duplicity everyone is sworn to different agendas and Striker s resolve is put to yet another cruel and life changing test With a comedic and jaundiced eye Branon depicts how today s warped self righteousness and avaricious self aggrandizement have squandered the nonviolent legacies of those who led the civil rights movement of the 60s a movement that wanted an equal opportunity for a seat at the table but didn t intend to burn the house down while they courageously pursued the invitation All this wrapped inside a page turning thriller a jigsaw puzzle of nefarious motives and end games An Angel's Passing Susan Lee,2000-10-23 Angels Without Wings Chris Smith,2013-03 For God we fight all angels have heard the command Troy Decker has heard it from his parents countless times All he wants in life is a chance to prove himself and be granted his scepterthe first gift angels receive in their war against Lucifer Standing in his way is fallen angel Kyle Downey who used to be best friends with Troys parents but is now on a quest to destroy all that is good in the world **Angels in Vegas** R. L. Porter,2000-10 Meditations for Your Pocket is a look at Bible quotes that are then explained in a language that all can understand The three minute mediations bring the Bibles meaning to today s problems Such as friendships being in control chastity suffering and many more **Comic Angels and Other Approaches to Greek Drama through Vase-Paintings**

Oliver Taplin,1993-01-28 This book opens up a neglected chapter in the reception of Athenian drama especially comedy and it gives stage centre to a particularly attractive and entertaining series of vase paintings which have been generally regarded as marginal curiosities These are the so called phryx vases nearly all painted in the Greek cities of South Italy in the period 400 to 360 BC Up till now they have been taken to reflect some kind of local folk theatre but Oliver Taplin prompted especially by three that have only been published in the last twelve years argues that most if not all reflect Athenian comedy of the sort represented by Aristophanes This bold thesis opens up questions of the relation of tragedy as well as comedy to vase painting the cultural climate of the Greek cities in Italy and the extent to which Athenians were aware of drama as a potential export It also enriches appreciation of many key aspects of Aristophanic comedy its metatheatre and self reference its use of stage action and stage props its unabashed indecency and its polarised relationship even rivalry with tragedy The book has assembled thirty six photographs of vase paintings Many are printed here for the first time outside specialist publications that are not readily accessible
