The Happy Time:

Wolfpack Roger Moorhouse, 2025-10-21 From a top scholar of World War II the fascinating John C McManus definitive history of Germany's U boat campaign that challenged British naval supremacy and brought international trade to its knees Winston Churchill once remarked that the only threat to truly frighten him was the peril of Nazi U boats Over the course of World War II Germany's submariners sank over three thousand Allied ships nearly three quarters of Allied shipping losses in all theaters of the war In the process the submariners endured horrific conditions and suffered a 75 percent death rate the highest of any arm of service in the conflict Yet their story has never been told in full In Wolfpack historian Roger Moorhouse tells the story of the Battle of the Atlantic from the point of view of the German submariners He tracks these men from the enthusiasm of the war's early days buoyed with optimism about their cause through the challenges of the Allied counterthreat to the final horrors of enemy capture and death in the depths It is a story of courage certainly but also of fear privation and ultimately failure Drawing extensively on war diaries archival records and the voices of the German submariners themselves Wolfpack is a story of technological brilliance dramatic naval engagements and extraordinary human endurance

Catalog of Copyright Entries Library of Congress. Copyright Office, 1952 **Broadway to Main Street** Laurence Maslon, 2018-08-03 The music of Broadway is one of America's most unique and popular calling cards In Broadway to Main Street How Show Tunes Enchanted America author Laurence Maslon tells the story of how the most beloved songs of the American Musical Theater made their way from the Theater District to living rooms across the country The crossroads where the music of Broadway meets popular culture is an expansive and pervasive juncture throughout most of the twentieth century from sheet music to radio broadcasts to popular and original cast recordings and continues to influence culture today through television streaming and the Internet The original Broadway cast album from the 78 rpm recording of Oklahoma to the digital download of Hamilton is one of the most successful yet undervalued genres in the history of popular recording The challenge of capturing musical narrative with limited technology inspired the imagination of both the recording industry and millions of listeners between 1949 and 1969 fifteen different original cast albums hit number one on the popular music charts ultimately tallying more weeks at number one than all of the albums by Frank Sinatra Elvis Presley and The Beatles combined The history of Broadway music is also the history of American popular music the technological commercial and marketing forces of communications and media over the last century were inextricably bound up in the enterprise of bringing the musical gems of New York's Theater District to living rooms along Main Streets across the nation Featuring new interviews with Stephen Schwartz Chita Rivera Steve Lawrence and prominent record producers and music critics the story of this commercial and emotional phenomenon is told here in full from the imprimatur of sheet music from Broadway in the early 20th century to the renaissance of Broadway music in the digital age folding in the immense impact of show music on American culture and in the context of the recording industry popular tastes and our shared national identity A book which

connects cherished cultural artifacts to the emotional narratives at the core of American popular music Broadway to Main Street How Show Tunes Enchanted America is an ideal companion for all fans of American musical theater and popular music

The Theatre of Kander and Ebb Robert Gordon, 2025-07-24 Discover John Kander and Fred Ebb the most artistically and commercially successful musical theatre writing team since Rodgers and Hammerstein in a brand new way Identifying the theatrical approach that renders their musical dramaturgy unique this book explores their importance within and contribution to musical theatre history Through their biggest hits Cabaret 1966 and Chicago 1975 Kander and Ebb have been performed on the stage more times both within and outside of the USA than any other American musical theatre writers Unlike Sondheim whose work from 1964 increasingly aspired towards the avant garde Kander and Ebb located their projects in a nexus between art and commercial entertainment seeking to deconstruct popular forms in order to expose their ideological function This book investigates the full range of Kander and Ebb's collaboration from the pure comic entertainment of 70 Girls 70 1971 and Curtains 2006 to more overtly serious musicals such as Kiss of the Spiderwoman 1992 The Scottsboro Boys 2010 and The Visit 2014 which were less commercially

successful precisely because they addressed disturbing subjects It explores how the difficult material inspired beautiful though challenging scores It also probes how the ironic counterpointing of luscious music with witty and demotic lyrics challenges the desire of a Broadway audience for escapist entertainment devoid of critical self reflection in order to create complex yet popular masterpieces of the genre This is the first volume to explicitly analyse the recurrent theatrical tropes and dramaturgical forms in Kander and Ebb s musicals offering an in depth introduction to their oeuvre Summary of Kitchen Confidential Updated Edition SellWave Audio,2025-10-23 Nearly twenty years ago The New Yorker ran a provocative article titled Don t Eat Before You Read This by a then obscure chef named Anthony Bourdain He held nothing back exposing the unvarnished reality of what transpires behind kitchen doors The piece created a firestorm and the book it inspired the now legendary Kitchen Confidential became an even greater phenomenon selling over a million copies and cementing its status as a cultural touchstone Brutally honest sharply witty and refreshingly direct Bourdain delivers an unflinching account of his decades in the restaurant industry This memoir doesn t soften any edges or spare anyone s sensibilities Fans will relish returning to this wickedly entertaining delightfully outrageous collection of true stories from the culinary world as Chef Anthony Bourdain chronicles more than twenty five years of drugs sex and fine dining now featuring previously unpublished material The Friend of Israel Anonymous,2023-06-16 Reprint of the original first published in 1857 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost
