Hepatic Encephalopathy in Chronic Liver Failure Livio Capocaccia, 2012-12-06 The meeting which took place in Rome on November 19th and 20th of 1982 is easily the best meeting on hepatic coma that I have ever attended and I have attended many It was an exceedingly well planned meeting with prolonged opportunity for discussion and there was genuine interplay and exchange of ideas not the usual picture of a rushed meeting with investigators presenting their own point of view and talking past each other without a meaningful exchange which took place in Rome My co editors and I hope that the published transcript which of course can only reflect what transpired in Rome on those two days does justice to a very intellectually exciting and gratifying exchange of ideas L Capocaccia J E Fischer and F Rossi Fanelli v CONTENTS
