Sky And Island Light Poems

George Garrett

Sky And Island Light Poems:

Sky and Island Light Brendan Galvin, 1997-02-01 This stunning collection presents locales ranging from Ireland to the Outer Hebrides the Orkneys the Shetland Islands and the poet's native Cape Cod In line after line Brendan Galvin evokes the physical world with a naturalist's eye dazzlingly apparent in the brushstrokes by which he depicts a gull sliding on a crawl of heat among exposed hummocks or white birches standing like hairline faults of frost driven through stone In all this seething life in this world of light and shadows Galvin suggests a web of sensibility Cemeteries deserted villages lost faces such fragments Galvin transmutes into meditations on the blood deep mysteries of death desire and the phylogeny of consciousness all conjured with an instinct for the telling nuance of behavior and a delight in the language of everyday conversation Lying behind much of Sky and Island Light is the question of what is worthy of our passion the answer we learn in A Cold Bell Ringing in the East comes most easily to the outsider What joy in having been at all in feeding the fire and knowing that everything isn't about us What joy indeed Sky and Island Light is a superb collection by a remarkable poet one who combines uncannily scrupulous habits of observation with astonishing stylistic grace

Yellow Shoe Poets George Garrett, 1999-10-01 Since 1964 when Louisiana State University Press published its inaugural book of verse Miller Williams's A Circle of Stone its poetry list has grown exponentially 191 books by 93 poets into a program that inspires understandable pride in those associated with it Two collections have won the Pulitzer Prize The Flying Change 1986 by Henry Taylor and Alive Together 1996 by Lisel Mueller Another book by Mueller The Need to Hold Still 1980 won the National Book Award while several other LSU titles have been finalists for that distinction most recently The Fields of Praise 1997 by Marilyn Nelson and The Vigil 1993 by Margaret Gibson Dozens more have been recognized for their excellence through a host of various honors The Press publishes the winner of the annual Walt Whitman Award given by The Academy of American Poets for a first collection and in 1996 it launched the Southern Messenger series in collaboration with Dave Smith bringing two shining works into the fold each year The appearance of The Collected Poems of Robert Penn Warren in 1998 meant for the Press the realization of a long dearly held dream To mark this thirty five year old tradition as the century and millennium turn and to offer a sampling of its richness The Yellow Shoe Poets a retrospective anthology was compiled under the editorship of George Garrett a longtime colleague of the Press and the author of eight poetry volumes Say the LSU poets real fast with a southern drawl and you get the ridiculously wonderful moniker that poet Elizabeth Seydel Morgan's young friend innocently mistook for this noble band It's an image Brendan Galvin has appropriated to a perfect fit in his poem Yellow Shoe Poet written on behalf of his fellow yellow shoes across the years All 173 poems are taken from LSU Press books and were selected by the poets themselves if living Arranged alphabetically by author they consist of at least one poem from every poet published by the Press Goethe's admonition that one ought every day at least to read a good poem can find no better starting point than in The Yellow Shoe Poets

Poetry and Islands Rajeev S. Patke, 2018-03-01 In all cultures and times the poetic

imagination has fed on the natural attributes of islands An island is either a destination or a home or a place of exile and imprisonment or simply a place to sojourn It is an ideal vehicle for journeys treated as allegories or for acts of finding that turn into acts of losing or the reverse transformation An island is not a continent yet it can be an archipelago An island is both a place in itself and a pretext for imaginings that need a local habitation and a name It can give relief and pleasure or it can frustrate isolate and negate Above all it both invites and resists or contains or constrains the imagination Poetry and Islands explores how islands become repositories of human longings and desires a locus for some of our deepest fears and fantasies It balances historical and geographical reference with a selective approach to poems and poets in English and in translations into English The study of particular poems in which islands figure in exemplary ways is balanced by a more detailed discussion of the poets who have played a major role in shaping human responses to islands on a global scale
