those formative years with details of battles fought to maintain freedom of the skies for all parachutists when government and corporate interests made numerous attempts to severely restrict the right of skydivers to use our nation's airspace. This story is told by a man who dedicated his life to the advancement of the sport, serving for twelve years as the chief executive officer of the national organization for skydivers, the Parachute Club of America/US Parachute Association. The reader will embark on a most exciting journey, a journey not told before, continually laced with personal stories that will touch your heart, make you smile, and occasionally make you laugh. This book contains over 400 photographs and 1,500 names of people from around the world who participated in that wonderful and exhilarating sport called skydiving. Above All Else Dan Brodsky-Chenfeld, 2011-09-15. World famous competitive skydiver and coach Dan Brodsky-Chenfeld presents proven tools and techniques for success and explains how they can be used in everyday life. Dan survived a plane crash from which sixteen of the twenty-two people on board were killed. He was left critically injured and woke up from a six-week long coma with a broken neck, broken skull, severe head trauma, a collapsed lung, and other serious internal injuries. Against all odds, Dan recovered and went on to become one of the greatest competitive skydivers in the world. With the love and support of friends and family, Dan was able not only to resurrect his life but return to skydiving to achieve greater heights than he could have ever imagined. His techniques and methods for excelling are applicable to all people, no matter their goals. Dan uses his experiences to teach the lessons he's learned as a competitor, coach, business owner, father, and husband to help others achieve their dreams, overcome obstacles, and reach their peak performance. *Extreme Skydiving* Bobbie Kalman, John Crossingham, 2006. There was a time not so long ago when a surfboard in the sky was the stuff of comic book fantasy. Today, extreme athletes are surfing the air with ease and grace. The sports of sky surfing and its parent skydiving are the subject of our new high-velocity title *Extreme Sky Ports*. Kids will get their hair blown back by brilliant aerial photos of sky surfers and divers in action, as clear, concise text explains the history and techniques of these young, thrilling sports. Deploy! Gallery of expert sky surf tricks. Stars and legends of the sport. The designs and function of the equipment. How this daring sport keeps safety its first priority.
