Sustainability David Mollica,2017-03-02 Sustainability is one of the key concepts underlying our thinking about corporate responsibilities particularly with respect to the environment and inter generational justice but also in relation to corporate governance and the long term economic viability The advantages of the discourse of Sustainability are that it brings together contemporary economic and moral imperatives in the context of scientific knowledge Its disadvantages relate to its open ended content its systematic ambiguity and the internal tensions between economic growth human survival and global justice The essays in this volume reflect these strengths and weaknesses from a variety of viewpoints economic scientific social and philosophical They illustrate and illuminate the varied and contested content and utility of this currently popular concept and point to its multiple implications

for the development of corporate responsibilities **Rabinal Achi** Dennis Tedlock, 2003-09-04 Here is one of the most important surviving works of pre Columbian civilization Rabinal Achi a Mayan drama set a century before the arrival of the Spanish produced by the translator of the best selling Popol Vuh The first direct translation into English from Quich Maya based on the original text Rabinal Achi is the story of city states war and nobility of diplomacy mysticism and psychic journeys Cawek of the Forest People has been captured by Man of Rabinal who serves a ruler named Lord Five Thunder Cawek is a renegade a warrior who has inflicted much suffering on Rabinal Yet he is also the son of the lord of the allied city of Quich a noble who once fought alongside Man of Rabinal The drama presents the confrontation between the two during the trial of Cawek who defies his captors and proudly accepts death by beheading Dennis Tedlock s translation is clear and vivid more than that it is rooted in an understanding of how the play is actually performed Despite being banned for centuries by Spanish authorities it survived in actual practice and is still performed in the town of Rabinal today Tedlock s photographs and diagrams accompany the text capturing nuances not apparent in the dialogue alone He also provides an introduction and commentary that explain the historical events compressed into the play the Spanish influence on the Mayan dramatic tradition and the cultural and religious world preserved in this remarkable play Rabinal Achi ranks as a classic of Mayan literature and a rare window on a world that had yet to be invaded by Europeans Dennis Tedlock brings this drama to life in all its richness
