Skywriting A Life Out Of The Blue Large Print:

Skywriting Jane Pauley, 2004-08-24 Truth arrives in microscopic increments and when enough has accumulated in a moment of recognition you just know You know because the truth fits I was the only member of my family to lack the gene for numbers but I do need things to add up Approaching midlife I became aware of a darkening feeling was it something heavy on my heart or was something missing Grateful as I am for the opportunities I ve had and especially for the people who came into my life as a result I couldn t ignore this feeling I had the impulse to begin a conversation with myself through writing as if to see if my fingers could get to the bottom of it It was a Saturday morning eight or ten years ago when I began following this impulse to find the answers to unformed questions Skywriting is what I call my personal process of discovery And so begins this beautiful and surprising memoir in which beloved broadcast journalist Jane Pauley tells a remarkable story of self discovery and an extraordinary life from her childhood in the American heartland to her three decades in television

Encompassing her beginnings at the local Indianapolis station and her bright debut at age twenty five on NBC s Today and later on Dateline Pauley forthrightly delves into the ups and downs of a fantastic career But there is much more to Jane Pauley than just the famous face on TVs In this memoir she reveals herself to be a brilliant woman with singular insights She explores her roots growing up in Indiana and discusses the resiliency of the American family and addresses with humor and depth a subject very close to her heart discovering yourself and redefining your strengths at midlife Striking moving candid and unique Skywriting explores firsthand the difficulty and the rewards of self reinvention *Library Journal* Melvil
