Slave Hunt:

Master Slave Husband Wife Ilyon Woo, 2024-01-16 Presents the remarkable true story of Ellen and William Craft who escaped slavery through daring determination and disguise with Ellen passing as a wealthy disabled white man and William posing as his slave *Runaway Virgins: Danish West Indian Slave Ads 1770-1848* Enrique Corneiro, 2018-09-19 Runaway Virgins Danish West Indian Slave Ads 1770 1848 uses more than 250 slavery related newspaper ads to help shine light on what life must have been like for the enslaved people of the U S Virgin Islands former Danish West Indies More than 300 specific individuals are identified and subjects related to runaway slaves are highlighted i e punishment laws free men women country of origin children pardons etc **Literary Bondage** William Luis, 2014-05-23 In the nineteenth century the Cuban economy rested on the twin pillars of sugar and slaves Slavery was abolished in 1886 but one hundred years later Cuban authors were still writing antislavery narratives William Luis explores this seeming paradox in his groundbreaking study Literary Bondage asking why this literary genre has remained a viable means of expression Applying Foucault s theory of counter discourse to a vast body of antislavery literature Luis shows how these narratives have always served to undermine the foundations of slavery to protest the marginalized status of blacks in Cuban society and to rewrite the canon of acceptable history and literature He finds that emancipation did not end the need for such counter discourse and reveals how the antislavery narrative continues to provide a forum for voices that have been silenced by the dominant culture In addition to such well known works as Cecilia Vald s The Kingdom of This World and The Autobiography of a Runaway Slave Luis draws on many literary works outside the familiar canon including Romualdo uno de tantos Aponte Sof a La familia Unzuazu El negrero and Los guerrilleros negros This comprehensive coverage raises important questions about the process of canon formation and brings to light Cuba s rich heritage of Afro Latin literature and culture *Slave Patrols* Sally E. Hadden, 2003-10-30 Obscured from our view of slaves and masters in America is a critical third party the state with its coercive power This book completes the grim picture of slavery by showing us the origins the nature and the extent of slave patrols in Virginia and the Carolinas from the late seventeenth century through the end of the Civil War Here we see how the patrols formed by county courts and state militias were the closest enforcers of codes governing slaves throughout the South Mining a variety of sources Sally Hadden presents the views of both patrollers and slaves as she depicts the patrols composed of respectable members of society as well as poor whites often mounted and armed with whips and guns exerting a brutal and archaic brand of racial control inextricably linked to post Civil War vigilantism and the Ku Klux Klan City councils also used patrollers before the war and police forces afterward to impose their version of race relations across the South making the entire region not just plantations an armed camp where slave workers were controlled through terror and brutality No Slave-hunting in the Old Bay State Wendell Phillips, 1859 *Materials of the Mind* James Poskett, 2022-02-19 Phrenology was the most popular mental science of the Victorian age From American senators to Indian

social reformers this new mental science found supporters stretching around the globe *Materials of the Mind* tells the story of how phrenology changed the world and how the world changed phrenology This is a story of skulls from the Arctic plaster casts from Haiti books from Bengal and letters from the Pacific Drawing on far flung museum and archival collections and addressing sources in six different languages *Materials of the Mind* is the first substantial account of science in the nineteenth century as part of global history It shows how the circulation of material culture underpinned the emergence of a new materialist philosophy of the mind while also demonstrating how a global approach to history could help us reassess issues such as race technology and politics today **Hansard's Parliamentary Debates** Great Britain. Parliament,1850

Searching for Freedom K. Essence,2019-11-12 Searching for Freedom The Nat Turner Revolt is a story about a young African boy who had matured into a man being considered a fugitive of American law The information provided in this story is for the readers of this story to think about Nat Turner more as a person instead of a fugitive of the law or a degraded slave Many of the books published about Nat Turner have a lack of information regarding Nat Turner s real life the people of the town of South Hampton and the federal government of the United States when it was just considered the government of the North American continent A few of the political figures mentioned in this book such as Sir James Monroe Sir John Tyler and Sir Andrew Jackson were used to bring more life to the story to explain to the readers how things were going based on government planning and how life was for the people living in the early 1800s Nat Turner s true life story is meant to be known by not just the African American nationality but by all the world s nationalities because of what Nat Turner stood for during his life Nat Turner was against the enslavement of black Africans as well as the enslavement of other nationalities He believed that all men have the right to be independent to raise their own families and to choose their own paths This story also explains how Nat Turner had found love and the new associations that he had made after he had escaped from his slave owner s residence Nat Turner had freed many enslaved blacks and he and his men had made new families after they had broken free from the custody of their slave owners Benjamin Turner Nat Turner s slave owner had traveled from place to place looking for Nat Turner for several years until Nat Turner was found Nat Turner had visited quite a few places during his lifetime and he had also made several children with a few different women Nat Turner had done a lot during his life compared to the enslaved blacks and he was still a very young man when he was killed Nat Turner had become a legend behind the moves that he had chosen to make and he had made two very close friends who were considered his brothers who had escaped from their slave owner s residence with Nat Nat was a great leader and some people even considered him to be a king behind the way that he had taken a stand for himself and for his people to be free *A Slaver's Adventures on Land and Sea* W.
