Slavery In Russia 1450 1725:

Slavery in Russia, 1450-1725 Richard Hellie,1984 The Slave Soul of Russia Daniel Rancour-Laferriere,1995-03-01

Why asks Daniel Rancour Laferriere in this controversial book has Russia been a country of suffering Russian history religion folklore and literature are rife with suffering The plight of Anna Karenina the submissiveness of serfs in the 16th and 17th centuries ancient religious tracts emphasizing humility as the mother of virtues the trauma of the Bolshevik revolution the current economic upheavals wracking the country these are only a few of the symptoms of what The Slave Soul of Russia identifies as a veritable cult of suffering that has been centuries in the making Bringing to light dozens of examples of self defeating activities and behaviors that have become an integral component of the Russian psyche Rancour Laferriere convincingly illustrates how masochism has become a fact of everyday life in Russia Until now much attention has been paid to the psychology of Russia s leaders and their impact on the country s condition Here for the first time is a compelling portrait of the Russian people s psychology

Unfree Labor Peter KOLCHIN,2009-06-30 Two massive systems of unfree labor arose a world apart from each other in the late sixteenth and early seventeenth centuries The American enslavement of blacks and the Russian subjection of serfs flourished in different ways and varying degrees until they were legally abolished in the mid nineteenth century Historian Peter Kolchin compares and contrasts the two systems over time in this magisterial book which clarifies the organization structure and dynamics of both social entities highlighting their basic similarities while pointing out important differences discernible only in comparative perspective These differences involved both the masters and the bondsmen The independence and resident mentality of American slaveholders facilitated the emergence of a vigorous crusade to defend slavery from outside attack whereas an absentee orientation and dependence on the central government rendered serfholders unable successfully to defend serfdom Russian serfs who generally lived on larger holdings than American slaves and faced less immediate interference in their everyday lives found it easier to assert their communal autonomy but showed relatively little solidarity with peasants outside their own villages American slaves by contrast were both more individualistic and more able to identify with all other blacks both slave and free Kolchin has discovered apparently universal features in master bondsman relations a central focus of his study but he also shows their basic differences as he compares slave and serf life and chronicles patterns of resistance If the masters had the upper hand the slaves and serfs played major roles in shaping and setting limits to their own bondage This truly unprecedented comparative work will fascinate historians sociologists and all social scientists particularly those with an interest in comparative history and studies in slavery

Eurasian Slavery, Ransom and Abolition in World History, 1200-1860 Christoph Witzenrath,2016-03-09 Recent research has demonstrated that early modern slavery was much more widespread than the traditional concentration on plantation slavery in the context of European colonial expansion would suggest Slavery and slave trading though little researched were common across wide stretches of Eurasia and a slave economy played a vital part in

A Brief History of Slavery Jeremy Black, 2011-08-18 A thought provoking and important book that raises essential issues crucial not only for understanding our past but also the present day In this panoramic history Jeremy Black tells how slavery was first developed in the ancient world and reaches all the way to the present in the form of contemporary crimes such as trafficking and bonded labour He shows how slavery has taken many forms throughout history and across the world from the uprising of Spartacus the plantations of the West Indies and the murderous forced labour of the gulags and concentration camps Slavery helped to consolidate transoceanic empires and helped mould new world societies such as America and Brazil Black charts the long fight for abolition in the nineteenth century looking at both the campaigners as well as the harrowing accounts of the enslaved themselves Slavery is still with us today and coerced labour can be found closer to home than one might expect

The Overthrow of Colonial Slavery Robin Blackburn, 2024-12-10 In 1770 a handful of European nations ruled the Americas drawing from them a stream of products both everyday and exotic Some two and a half million black slaves imprisoned in plantation colonies toiled to produce the sugar coffee cotton ginger and indigo craved by Europeans By 1848 the major systems of colonial slavery had been swept away either by independence movements slave revolts abolitionists or some combination of all three How did this happen Robin Blackburn's history captures the complexity of a revolutionary age in a compelling narrative In some cases colonial rule fell while slavery flourished as happened in the South of the United States and in Brazil elsewhere slavery ended but colonial rule remained as in the British West Indies and French Windwards But in French St Domingue the future Haiti and in Spanish South and Central America both colonialism and slavery were defeated This story of slave liberation and American independence highlights the pivotal role of the first emancipation in the French Antilles in the 1790s the parallel actions of slave resistance and metropolitan abolitionism and the contradictory implications of slaveholder patriotism The dramatic events of this epoch are examined from an unexpected vantage point showing how the torch of anti slavery passed from the medieval communes to dissident Quakers from African maroons to radical pirates from Granville Sharp and Ottobah Cuguano to Toussaint L. Ouverture from the black Jacobins to the Liberators of South America and from the African Baptists in Jamaica to the Revolutionaries of 1848 in Europe and the Caribbean
