## **Slavic Manuscripts From The Fekula Collection A Description:**

**Slavic Manuscripts from the Fekula Collection** Mateja Matejic, 1983      **Slavic Review**, 1985 Coverage of Russian Eurasian and East European issues      **Russian and East European Books and Manuscripts in the United States** Tanya Chebotarev, Jared S. Ingersoll, 2014-06-03 Gain a better understanding of the past and cultures of Slavic and East European peoples with American archival collections Russian and East European Books and Manuscripts in the United States the first collection of its kind offers perspectives from leading Slavic librarians archivists and historians on the cultural history of Russian and East European exiles and immigrants to North America in the twentieth century Editor Tanya Chebotarev curator of the Bahkmeteff Archive at Columbia University and a group of leading authorities document the concerted effort to preserve Russian and East European written culture outside the bounds of Communist power This book is a vital addition to the collections of archivists librarians historians and graduate students in Russian studies and American immigrations Russian and East European Books and Manuscripts in the United States explores the role of Russian migr s librarians and scholars in the United States in providing a haven for archival collections of Russian literature art and historical manuscripts at the height of panic during the Cold War This essential resource celebrates the efforts made by archivists and librarians in collecting migr materials This book addresses many important related topics such as an introduction to the life and work of Boris Aleksandrovich Bakhmeteff financial contributor to the Archive and the last Russian ambassador to the United States before the Bolsheviks seizure of power the Eurasianist movement its roles and views on science culture and empire reflections of Russian migr s on Soviet nationality policies during the 1920s and 1930s American collections on immigrants from the Russian Empire the New York Public Library its role in collecting and describing vernacular Slavic and East European language and history materials to a diverse readership Columbia University Libraries Slavic and East European Collections a historical overview of these extraordinarily rich collections of materials from or about the Russian Empire the Soviet Union and the countries and people of Eastern Europe the Hoover Institution s Polish migr collections and the Polish state archives Russian archives online present status and future prospects This book also details recent efforts to repatriate archival collections and libraries abroad and return them to their countries of origin Disagreements between countries are already emerging and Russian and East European Books and Manuscripts in the United States discusses their implications and the future of America s Slavic archives      **Slavic Codices of the Great Lavra Monastery** Mateja Matejić, Dimitrije Bogdanović, 1989      **Canadian-American Slavic Studies**, 2009 A quarterly journal devoted to Russia and East Europe      **Popular Religion in Russia** Stella Rock, 2007-09-10 This book dispels the widely held view that paganism survived in Russia alongside Orthodox Christianity demonstrating that double belief dvoeverie is in fact an academic myth Scholars citing the medieval origins of the term have often portrayed Russian Christianity as uniquely muddled by paganism with double believing Christians consciously or unconsciously preserving

pagan traditions even into the twentieth century This volume shows how the concept of dvoeverie arose with nineteenth century scholars obsessed with the Russian folk and was perpetuated as a propaganda tool in the Soviet period colouring our perception of both popular faith in Russian and medieval Russian culture for over a century It surveys the wide variety of uses of the term from the eleventh to the seventeenth century and contrasts them to its use in modern historiography concluding that our modern interpretation of dvoeverie would not have been recognized by medieval clerics and that double belief is a modern academic construct Furthermore it offers a brief foray into medieval Orthodoxy via the mind of the believer through the language and literature of the period      **Studia Slavica mediaevalia et humanistica** Michele Colucci, Giuseppe Dell'Agata, Harvey Goldblatt, 1986      **Microform Review** , 1992      **Slavonic parchment fragments in Sweden: Gospels** , 1984      **Slavonic parchment fragments in Sweden: Gospels, a text edition with glossary** Elisabeth Löfstrand, Siw Wesslén, 1984
