16 pages and may extend to a whopping 30 to 40 pages If you're like the author you're especially open to brief jolts of literature that consume only a few minutes or even less each In our fast-paced society economy of words while reading and writing is correspondingly appropriate Snatch a sampling of stories when riding on short duration bus train and car trips waiting for a dentist or physician and maybe even while on a commute A re-read of a story may provide an added benefit In this book you will find the short short stories to be highly varied Read about a woman having to learn wildflower names from her fiancée the dwarf planet Pluto's complaint of losing its planet's status a snake-fearing woman who prefers her snakes having legs and a nearly 80-year-old fiddler worried about contracting AIDS from bad blood during bypass surgery The photographs are meant to complement the stories But they can be appreciated on their own merits You will note that their titles differ from those of the stories
