The Smuggler: a Tale; by the Author Of "Tales by the O'Hara Family," "The Denounced," Etc. John Banim
SMUGGLER.,1856 **Smugglers' Tales** Sheila Smith,Bognor Regis Local History Society,2011 *The Smuggler: a Tale; by the Author of "Tales by the O'Hara Family," "The Denounced," Etc. [John Banim.] ,1831* Christmas Stories. Containing John Wildgoose the Poacher, the Smuggler, and Good-nature, or Parish Matters Edward Berens,2023-10-05 In Christmas Stories Edward Berens presents a charming collection that captures the festive spirit through richly woven narratives set against the backdrop of rural life The stories a blend of pastoral realism and moral allegory invite readers into the lives of distinctive characters such as the titular poacher John Wildgoose and the compassionate Good nature Berens s literary style is notable for its lyrical prose and keen psychological insight reflecting the Victorian fascination with both social morality and the nuances of human nature These tales not only entertain but also provoke thoughtful reflections on community code of ethics and the resilience of the human spirit during the holiday season Edward Berens was a keen observer of 19th century English society which profoundly influenced his writing His background in law and experience in various roles within rural communities informed his nuanced portrayals of everyday life and his intrinsic understanding of the hardships faced by the lower classes This social context combined with Berens s affinity for folklore and moral storytelling provided fertile ground for the creation of these narratives which resonate with empathy and warmth I highly recommend Christmas Stories to readers seeking both a cozy escape and a deeper exploration of human values Berens s poignant reflections on philanthropy and human connection during the holiday season are timeless offering not just seasonal joy but enduring lessons that remain relevant today Fairground Attractions Deborah Philips,2012-01-19 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com The study investigates the cultural production of the visual iconography of popular pleasure grounds from the eighteenth century pleasure garden to the contemporary theme park Deborah Philips identifies the literary genres including fairy tale gothic horror Egyptiana and the Western which are common to carnival sites tracing their historical transition across a range of media to become familiar icons of popular culture Though the bricolage of narratives and imagery found in the contemporary leisure zone has been read by many as emblematic of postmodern culture the author argues that the clash of genres and stories is less a consequence of postmodern pastiche than it is the result of a history and popular tradition of conventionalised iconography
