Decolonial Animal Ethics in Linda Hogan's Poetry and Prose Małgorzata Poks, 2023-07-28 Decolonial Animal Ethics in Linda Hogan s Poetry and Prose is a plea for an urgent redefinition of human animal relations on the basis of a nonanthropocentric animal ethic embraced by premodern Indigenous communities but depreciated by coloniality Without decolonial revisions of animal subjectivity and personhood the animal genocide can never truly stop It is also a close reading of Linda Hogan s poetry and prose in search of the coordinates of a decolonized animal ethic which would foster interspecies becoming Having defined the recurring tropes motifs and attitudes that underpin Hogan s treatment of nonhuman animals the book moves on to trace the way she depicts the human animal bond especially in the face of the destructive anthropogenic impact The major questions guiding the analysis of Hogan s oeuvre are as follows who are the animals we share our earthly lives with what can they teach us about ourselves how can animals guide us toward more sustainable futures and what are the conditions of possibility of an interspecies human animal thriving This book will be of interest to scholars and students of Indigenous Studies Decolonial Studies Animal Studies Ecocriticism Anthropocene Studies as well as readers of Linda Hogan s literary works

The Art of Poetry Shira Wolosky, 2008-09-19 In The Art of Poetry Shira Wolosky provides a dazzling introduction to an art whose emphasis on verbal music wordplay and dodging the merely literal makes it at once the most beguiling and most challenging of literary forms A uniquely comprehensive step by step introduction to poetic form The Art of Poetry moves progressively from smaller units such as the word line and image to larger features such as verse forms and voice In fourteen engaging beautifully written chapters Wolosky explores in depth how poetry does what it does while offering brilliant readings of some of the finest lyric poetry in the English and American traditions Both readers new to poetry and poetry veterans will be moved and enlightened as Wolosky interprets work by William Shakespeare John Donne William Blake William Wordsworth

Emily Dickinson Robert Frost Sylvia Plath and others The book includes a superb two chapter discussion of the sonnet s form and history and represents the first poetry guide to introduce gender as a basic element of analysis In contrast to many existing guides which focus on selected formal aspects like metrics or present definitions and examples in a handbook format The Art of Poetry covers the full landscape of poetry s subtle art while showing readers how to comprehend a poetic text in all its dimensions Other special features include Wolosky s consideration of historical background for the developments she discusses and the way her book is designed to acquaint or reacquaint readers with the core of the lyric tradition in English Lively accessible and original The Art of Poetry will be a rich source of inspiration for students general readers and those who teach poetry *The Primary Plan Book* Marian Minnie George,1912
