Snow Twice Orphaned once Rescued:

Snow June Gale, 1980 *Books in Print* , 1982 *The Cumulative Book Index* , 1981 A world list of books in the English language Dreams of Rescue Laura Shaine Cunningham, 2003-05-14 I have spent the winter at my summer place begins the narrator of this startlingly original literary chiller Juliana Durrell Smythe known for her female in jeopardy performances on film fears her roles are proving prophetic As an actress she is accustomed to rescue In movies Having known the comfort of muscled arms I still expect without reason to be carried to safety and ultimately to be loved But confined to her Victorian lake house Juliana discovers the discrepancies between film and actual jeopardy The police have not turned out to be kindly potential lovers She must walk the fault line of fiction and confront the mysterious and violent end of her marriage An atmosphere of danger descends with the snow The men who enter Juliana s life seem suspect her predicament shadowed by the distress of her housecleaner How much did she see How much does she know Haunted by her past roles and the history of her romantic home built for a wedding in 1899 Juliana s marital mystery becomes entwined with that of the original Victorian bride s To survive she is compelled to connect a nineteenth century disappearance to the contemporary despair of the lakeside resort In a snowscape of dazzling beauty Juliana must enact the role that will save or cost her own life Plumbing the secrets of two centuries Cunningham has written a hypnotic novel that will transport the reader into a brilliantly evoked world With its hard chiseled realities and incandescent images *Dreams of Rescue* is a new take on a classic form that shatters convention and will entrance readers long after its stunning finale **Marshal Ney Before and After Execution** , 1929

A Journey with Spies, Afghans, and Orphans Terrence Douglas , 2019-03-08 A Journey with Spies Afghans and Orphans By Terrence Douglas Fifteen years ago author Terrence Douglas accepted a contract to go to Afghanistan and help create an academy for the Afghan intelligence professionals who were charged with defeating Taliban insurgents who threatened the growth of democracy Upon arriving in Kabul he was assigned to reside in a hutch a modified shipping container within a fortified compound His companions were fellow U S contractors attracted to the challenging assignment and the pay they were to receive They were protected twenty four hours a day by members of the ethnic tribe of the Afghan Intelligence Minister Any journey outside the compound was in a vehicle protected by professional U S security contractors The isolation of the assignment and the environment caused much reflection This book is the result of Terrence s time spent alone in his hutch socializing with fellow Americans in a confined environment the close professional relationships developed with his Afghan hosts and instructing the Afghans who yearned for a free environment to raise their families **Children of Marx and Coca-Cola** Xiaoping Lin, 2009-11-02 *Children of Marx and Coca Cola* affords a deep study of Chinese avant garde art and independent cinema from the mid 1990s to the beginning of the twenty first century Informed by the author s experience in Beijing and New York global cities with extensive access to an emergent transnational Chinese visual culture this work situates selected artworks and films in the context of Chinese nationalism and post socialism and against the background of

the capitalist globalization that has so radically affected contemporary China It juxtaposes and compares artists and independent filmmakers from a number of intertwined perspectives particularly in their shared avant garde postures and perceptions Xiaoping Lin provides illuminating close readings of a variety of visual texts and artistic practices including installation performance painting photography video and film Throughout he sustains a theoretical discussion of representative artworks and films and succeeds in delineating a variegated postsocialist cultural landscape saturated by market forces confused values and lost faith This refreshing approach is due to Lin s ability to tackle both Chinese art and cinema rigorously within a shared discursive space He for example aptly conceptualizes a central thematic concern in both genres as postsocialist trauma aggravated by capitalist globalization By thus focusing exclusively on the two parallel and often intersecting movements or phenomena in the visual arts his work brings about a fruitful dialogue between the narrow field of traditional art history and visual studies more generally Children of Marx and Coca Cola will be a major contribution to China studies art history film studies and cultural studies Multiple audiences specialists teachers and students in these disciplines as well as general readers with an interest in contemporary Chinese society and culture will find that this work fulfills an urgent need for sophisticated analysis of China s cultural production as it assumes a key role in capitalist globalization
