Snow Flower:

Snow Flower and the Secret Fan Lisa See, 2005-06-28 Lily is haunted by memories of who she once was and of a person long gone who defined her existence She has nothing but time now as she recounts the tale of Snow Flower and asks the gods for forgiveness In nineteenth century China when wives and daughters were foot bound and lived in almost total seclusion the women in one remote Hunan county developed their own secret code for communication nu shu women s writing Some girls were paired with laotongs old sames in emotional matches that lasted throughout their lives They painted letters on fans embroidered messages on handkerchiefs and composed stories thereby reaching out of their isolation to share their hopes dreams and accomplishments With the arrival of a silk fan on which Snow Flower has composed for Lily a poem of introduction in nu shu their friendship is sealed and they become old sames at the tender age of seven As the years pass through famine and rebellion they reflect upon their arranged marriages loneliness and the joys and tragedies of motherhood The two find solace developing a bond that keeps their spirits alive But when a misunderstanding arises their lifelong friendship suddenly threatens to tear apart Snow Flower and the Secret Fan is a brilliantly realistic journey back to an era of Chinese history that is as deeply moving as it is sorrowful With the period detail and deep resonance of *Memoirs of a Geisha* this lyrical and emotionally charged novel delves into one of the most mysterious of human relationships female friendship

Andreas Prime The Legend Home Charles & Irene Nickerson, 2013-09 It has been 12 months since Beary has arrived at the Academy from his tour aboard the *Saber Claw* He enjoyed teaching the classes he had been assigned At first some of the older cadets resented the fact that their instructor was younger than they were Then they would see the ribbons on his uniform and hear the rumors Ben of course helped spread them Flight training was going well His many hours in jump ships were proving to be a blessing instead of a curse He expected to graduate early from flight training Caesar had spent six months at the academy then shipped off to aid a hospital ship that had lost one of its surgeons to an accident The Hospital ship was trying to combat a new disease that had cropped up on an agricultural colony in the Darius system Once again his work under Dr Maxumus was proving invaluable Ben along with taking accelerated classes was teaching a class in survival and weapons Ben had taken to this task with enthusiasm With the help of two of the Marine Professors he wrote the training manual for the course which they used as a major project in two of his classes The class he taught was so popular there was a waiting list Pompey kept busy trying to prepare for the cub which was due in three months running two homes plus working for her new father in law on special issues Senator Maxumus was busy trying to get the Senate to strengthen its rules He did not want to see new conspiracies flair up The idea that eight senators some in critical positions could become traitors had shaken the Senate The Bearilian house of Representatives was demanding a full and open investigation as it scrutinized its own members The Arcrilians had suffered such a devastating defeat that they were asking for terms for a treaty and for aid The Bearilian President immediately started

negotiations along with the Antillean Supreme Council The result was the removal of all Arcrilian ships from Bearilian and Antillean territory in exchange for food and raw materials purchased at a reasonable price For the Antilleans this was a big win For Angelina Maxumus the last 12 months had been hectic as she tried to balance her time between Bearilia Prime and Andreas Prime She enjoyed being a Neuro surgeon a lot more than being an Empress She even found that she had to show up at State functions not as a wife of a prominent Senator but as a Head of State There had also been a need to appoint representatives to the two Bearilian Houses One of her second Brother s sons Iacomus Augustus had joined his cousins on Andreas Prime He found some unclaimed land near the western ocean connected to the Augustan land A young Dragon Silver Tail agreed to be his Family Dragon The Dragon Counsel suggested that he be appointed as the Planet s Senator A young nomad also moved to Andreas Prime He had no family or land A young Dogon Saraina approached the Dogon Counsel and asked that this young Nomad be given its sheep and become its family His name was Khristophoros The Dogon Counsel gave him the last name Theodoros Khristophoros Theodoros was called before Angelina She questioned him for several cycles She found out that he had been part of a servant family to the Pompaius family She found goodness and strength in this young Bear After talking with both counsels she appointed him to the House of Representatives He would prove to be a loyal and excellent choice Savato Artemus was not happy He loved the Crimson Blade but he could not find a gunner that met his standards He also missed his friends Captain Centaurus found he hated the paper work of a ship s captain as much as Atilus had Yet he loved the Saber Claw especially with the new upgrades Commodore Atilus was a taskmaster with his Destroyer Squadron Only Centaurus had no complaints Yet Destroyer Squadron 9 was shapin
