Snowflakes And Snowdrifts Individualism And Sexuality In America:

Snowflakes and Snowdrifts David Bertelson, 1986 Chapter 6 The spectre of homosexuality Chapter 7 On being gay in a straight society **Snowflakes and Snowdrifts** David Bertelson, 1986-08-26 Chapter 6 The spectre of homosexuality Chapter 7 On being gay in a straight society **American Social Character** Rupert Wilkinson, 2019-03-04 This anthology features the writings of 17 important analysts of American character and culture From 1945 to the present this book includes selections by Charles Reich Christopher Lasch Philip Slater and many others There is a general introduction to the subject and each selection is preceded by an introduction and followed by a critical comment Sociology Anthony Giddens, Simon Griffiths, 2006 This fully revised and updated version of Anthony Giddens's *Sociology* now in its fifth edition offers an unrivalled introduction for students new to the subject lucid lively authoritative and original Written by one of the world's leading sociologists this comprehensive textbook manages to be clear accessible and jargon free but without oversimplifying complex debates Earlier editions of *Sociology* broke new ground by incorporating cutting edge debates such as the impact of globalisation into an introductory text This fifth edition remains a state of the art textbook with fresh and engaging new material added throughout While covering all of the core topics of sociology the fifth edition also includes a great deal of substantive new material ensuring that students are introduced to the most recent sociological debates Throughout the book weaves together classical and contemporary theory and data and provides a wide range of everyday examples to which students can easily relate The fifth edition also benefits from New discussions of global inequality disability ageing and the life course risk the network society and terrorism as well as many other additional and up to date topics Numerous learning aids in every chapter such as summary points questions for further thought and additional reading suggestions which help to reinforce students' knowledge Lots of extra photographs diagrams case studies and cartoons to bring ideas to life and fire students' imaginations High quality supplementary resources on a dedicated website including a full instructors' manual and additional student aids all specially designed to stimulate students' learning and critical thinking The fifth edition of this classic textbook is an ideal teaching text for first year university and college courses and will be essential reading for all students who are looking for an exciting authoritative and easy to follow introduction to sociology Please visit the accompanying website at <http://www.polity.co.uk/giddens5> **Community That Is Christian** Julie A. Gorman, 2002-06-01 Over the past thirty years there has been a boom in small groups both in society at large and within the church From Bible studies to MOPS to Alcoholics Anonymous it is estimated that four out of ten Americans belong to a small group that meets regularly for the care and support of its members But are these groups creating true biblical community or do they settle for self focus and personal gain Julie Gorman has studied small groups for decades and presents her analysis insights and suggestions in *Community That Is Christian* an essential resource for building community in church based small groups This comprehensive book serves both as a text for those who equip leaders or lead small groups and as an interactive manual for

small group members helping them transform their relationships into Christ centered community The book begins with biblical support for coming together contrasting it with our often individualistic mind set that undermines community Gorman then sets forth the goals of community and describes the process of transformation She draws from extensive research to address the why and the how of small group ministry giving special attention to gender and cultural distinctions Community That Is Christian provides readers with charts discussion questions and inventories to further help them establish community within their small groups Male Envy Mervyn Nicholson,1999-01-01 Taking as his central argument that relations between males in western society are deeply colored if not actually determined by envy Mervyn Nicholson ranges across disciplines and eras in a fascinating utterly unique analysis of this taboo subject This book presents a series of motifs that are associated with male envy locating each in a particular historical context and illustrating it with examples drawn from literature film and popular culture Unlike earlier treatments of envy by psychoanalysts or feminist theorists this book moves beyond mere illustration of the problem to actually construct a theory about how the code of Male Envy shapes social consciousness in modern culture A truly pathbreaking work Male Envy merits a close reading by gender theorists literary critics and social psychologists *Manhood in America* Michael S. Kimmel,1996 Kimmel s history of men in America demonstrates that manhood has meant very different things in different eras Sexual Values Lisa Orr,1989 Presents opposing viewpoints on such issues as the sexual revolution homosexuality sexual ethics pornography and sex education
 New Books on Women and Feminism ,1988 **Gendering the National Pastime** Ayesha Shariff,1997
