So Amazing So Divine A Guide To Living Prayer:

So Amazing, So Divine Isaac Watts,1997 A remarkably contemporary treatment of prayer So Amazing So Divine was written by Isaac Watts the great Christian teacher and hymn writer of the 18th century He wrote over 600 hymns many of which are still favorites Watts guides the reader on a step by step spiritual pilgrimage into communication with the Almighty

Isaac Watts Graham Beynon,2016-10-20 Isaac Watts was an important but relatively unexamined figure and this volume offers a description of his theology specifically identifying his position on reason and passion as foundational The book shows how Watts modified a Puritan inheritance on both topics in the light of the thought of his day In particular there is an examination of how he both took on board and reacted against aspects of Enlightenment and sentimentalist thought Watts position on these foundational issues of reason and passion are then shown to lie behind his more practical works to revive the church Graham Beynon examines the motivation for Watts work in writing hymns and the way in which he wrote them and discusses his preaching and prayer In each of these practical topics Watts s position is compared to earlier Puritans to show the difference his thinking on reason and passion makes in practice Isaac Watts is shown to have a coherent position on the foundational issues of reason and passion which drove his view of revival of religion **The Hymn** ,1998 **Selected**

Poems Isaac Watts,1999 Presents a selection of Watt s poetic compositions aiming to show that he was an artist as well as an enthusiast scholar and populariser His work spells out a religion free of sourness and without affectation His rhetoric is bold natural and full of joy **A guide to prayer ... The fifth edition corrected** Isaac Watts,1730 **A Guide to Prayer** Isaac Watts,2014-01-06 Prayer is so great and necessary a part of religion that every degree of assistance in it will be always acceptable to pious minds The inward and spiritual performance of this worship is taught us in many excellent discourses but a regular scheme of prayer as a Christian exercise or a piece of holy skill has been much neglected The form method and expression together with other aspects of it such as voice and gesture have been so little treated that few Christians have any clear or distinct knowledge of them Yet all these have all too powerful an influence upon the soul in its most spiritual exercises and both nature and Scripture provide various directions about them Now while institutes of logic and rhetoric abound that teach us to reason aright and to speak well among men why should the rules of speaking to God be so little taught *Spades & Pruning Hooks* Joe Allison,Joseph D. Allison,1998 Here s your guide to more than two hundred books to

tend the garden of your spirit Annotated bibliographies compare the best inspirational books prayer books spiritual autobiographies and much more Each section begins with a practical guide to using that type of devotional aid The late John Powell S J of Loyola University said The author covers an extensive field in this area and is to be commended for his thoroughness Joe Allison has served as book editor for several leading Christian publishers He is a member of the American Academy of Religion and holds a master s degree in church history from Christian Theological Seminary of Indianapolis
