So Favored by Grace Lawrence J. Colhocker,1991 **John Baptist de la Salle** Saint Jean Baptiste de La Salle,2004
De La Salle s spirituality for educators which melds prayer and action compassion and practicality can be read afresh in every age it transcends time and place **To Touch Hearts - Pedagogical Spirituality and St. John Baptist de La Salle**
George Van Grieken FSC,2011-03-25 This work addresses Lasallian pedagogical spirituality defined as the dynamic integration of foundational convictions basic operative commitments and consistent practices permeating the teaching dimensions of schools that claim the heritage of St John Baptist de La Salle and the Brothers of the Christian Schools The dissertation examines the content of Lasallian pedagogical spirituality and proposes measures for realizing its vitality within Lasallian school life Particular pedagogical characteristics components of an overall pedagogical spirituality are present in the original charism of St John Baptist de La Salle The basic operative commitments that underlie those characteristics ought to be integrally realized in a pedagogy that claims to be Lasallian and wholly incorporated in the formation of Lasallian educators There are three sequential parts to the dissertation 1 an overview of the St John Baptist de La Salle s context and personal history 2 an overview of his literature followed by an analysis of aspects of Lasallian pedagogical spirituality evidenced in that literature according to five pedagogical elements the teacher the student the teacher student relationship the activity of teaching and the school in general and 3 a contemporary articulation of the Lasallian basic operative commitments that characterize his spirituality today along with their implications for the formation of Lasallian educators Extrapolating from the life and writings of De La Salle ten Lasallian operative commitments are proposed The commitments are presented in the form of attributes that may be applied to Lasallian institutions and their pedagogical components 1 centered in and nurtured by the life of faith 2 trusting providence in discerning God s will 3 with creativity and fortitude 4 through the agency the Holy Spirit 5 incarnating Christian paradigms dynamics 6 with practical orientation 7 devoted to education accessible and comprehensive 8 committed to the poor 9 working in association 10 expressing a lay vocation The dissertation concludes by presenting teacher formation structures and strategies for introducing Lasallian operative commitments and by providing a Lasallian Mission and Vision Statement **Touching the Hearts of Students** George Van Grieken,1999 This volume is a resource for teachers administrators board members and all who are engaged in Lasallian educational ministries today It reflects on the life and times of De La Salle and the early Institute and their significance in today s educational world There are questions at the end of each chapter along with a description of the Lasallian School as found in the tradition The book contains an extensive annotated bibliography of Lasallian resources as well as a glossary of Lasallian terms A model Lasallian Mission and Vision Statement gives any Lasallian group an excellent example of such statements *The Vocation of the Child* Patrick M. Brennan,2008-10-07 The Vocation of the Child seeks to understand the child as a person in his or her own right as a member of family and of community and as a son or daughter of a God who

came to earth as a child Distinguished jurist Patrick McKinley Brennan has gathered fifteen other respected scholars from various fields to consider seriously the vocation of the child Jacket **Early Childhood Education for Holistic Development of the Child** M. Jacinta Adhiambo, E. Adenike Emeke, Simon K. Ngigi, 2013 It is a fact that events that occur during early childhood that is from prenatal until age eight are significant determinants of how well a child's brain matures ability to develop language skills and to interact with society Save the Children International 2012 Lee Hayden 2009 This period shapes the rest of the child's life Early Childhood education is among the many interventions whose aim is to reach all children during their early childhood and to tackle key issues that will affect them later on in their life In the heart of this this book presents seventeen articles selected from among articles presented during 2011 interdisciplinary session of the Faculty of Education at the Catholic University of Eastern Africa CUEA The articles are presented in six major sections These are Access and equity in early childhood education Curriculum issues in early childhood education Teacher preparations and effective teaching in early childhood education Financing early childhood education and related policy issues Early childhood and special needs education Monitoring of early childhood education and development for sustainable development This book puts in place both empirical and discursive articles that will support advancement of the National structure for Early Childhood Care and Education It is a useful resource for the ECCE sector and a basis for fruitful debate and discussion Back cover **Kaloob** Erlinda H. Bragado, 1998 **Congressional Record** United States. Congress, 1953 **Books in Print Supplement**, 2002 *The School Journal*, 1900
