So Much Love:

Power, Politics, and Change Osho, 2011-04-12 Power Politics and Change takes on the conventional wisdom that power corrupts and proposes instead that those who seek power are already corrupt. Once they attain their goal, their corruption simply has the opportunity to express itself. That's why even those who seek power in order to bring about radical change so often fail despite their best intentions. Osho looks at where this will to power comes from, how it expresses itself, not only in political institutions but in our everyday relationships. In the process, he offers a vision of relationships and society based not on power over others but on a recognition of the uniqueness of every individual. Power Politics and Change includes an original talk by Osho on DVD. This visual component enables the reader to experience the direct wisdom and humor of Osho straight from the source. The Osho Life Essentials series focuses on the most important questions in the life of the individual. Each volume contains timeless and always contemporary investigations and discussions into questions vital to our personal search for meaning and purpose, focusing on questions specific to our inner life and quality of existence. **Love's Oneing**

Kerrie Hide, 2022-11-08 Grounded in Christian love mysticism, Love's Oneing gives voice to the luminous consciousness that awakens from within our oneness in God in contemplation. With great sensitivity, the book offers nuanced insight into the marriage of kenosis and desire in contemplation through the rich tapestry of writings from nine mystics: Julian of Norwich, the Cloud of Unknowing, author Meister Eckhart, Mechthild of Magdeburg, Clare of Assisi, John of the Cross, Teilhard de Chardin, Beatrice Bruteau, and Ilia Delio. With the delicate eye of a spiritual director immersed in mystical literature, Kerrie Hide situates these mystical teachings within contemplative prayer whilst offering a scholarly exploration of contemplative practice to embody the insights. Deeply grounded in traditional and contemporary mystical classics, Hide celebrates how the Christian mystical tradition lays a foundation for the evolutionary growth of communion consciousness and the insights of quantum science, highlighting key moments in contemplation that when surrendered into open, divine love, are born of intellectual reflection, lived experience, and contemplative wisdom. Love's Oneing makes a unique contribution to the existing literature on contemplation at a time when the recovery of the mystical dimension of life is crucial for the future of our planet in this climate crisis moment. **The practical works of David Clarkson** David Clarkson, 1865 **Delphi Complete**
