So Is This Wilderness And Other Stories:

My Circus Train and Other Stories and Reflections from Sermons Jan Walker, 2014-12-03 As I go on in this life a verse from Psalm 16 is my story You will show me the path of life In your presence there is fullness of joy That path has taken me on adventures wanted and unwanted and led to dreams that came true and dreams that died along the way That is my story so far Ive come to know that each of us is a story and how we tell our story makes a difference as we walk through this world We all have broken pieces of ourselves that weve left along the path but we can decide whether to pick them up and put them together in a new way and go on or we can go on with the broken pieces hurting us with every step Thats our choice and with the help of God and companions along the way the grace and fullness of healing and joy can come Fools and other Stories Njabulo S. Ndebele, 2015-04-01 Fools and Other Stories is an intricate and subtle collection that deals with the formative experiences of growing up in a Johannesburg township during the apartheid years These five stories are part of a long project in which I am attempting to explore imaginatively various aspects of life in the community I grew up in in South Africa The first part which these five stories cover deals with the themes of early childhood and adolescence In the second part I hope to explore adult life up to old age lastly I want to imaginatively study the movement of social change Njabulo S Ndebele *The bushwhackers & other stories* Charles Egbert Craddock, 2025-10-19 Reproduction of the original The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage *Abyss and Other Stories* Leonid Andreyev, 2018-08-28 Haunting disquieting shocking The Abyss one of the most powerful short stories ever written is accompanied in this volume by fifteen other stories Together they provide a clear account of the lasting legacy of Russia s foremost man of letters of the early twentieth century As the young Zinaida and her sweetheart the student Nemovetsky stroll through the idyllic Russian countryside their memories dreams and thoughts about life and the future mingle in the evening breeze But when night falls they hasten to retrace their steps back to town through a small wood where they are accosted by three threatening drunkards who knock Nemovetsky unconscious and start to chase the girl through the underwood When the young student comes round he is confronted with the horror of what has just happened Haunting disquieting shocking The Abyss one of the most powerful short stories ever written is accompanied in this volume by fifteen other stories never translated into English before by Andreyev including Silence The Thief and Lazarus some of them never translated before into English Together they provide a clear account of the lasting legacy of Russia s foremost man of letters of the early twentieth century **The Lizard of Oz and Other Stories** Richard Seltzer, 2022-12-10 The Lizard of Oz is a satiric child like fantasy for children fifth grade and up and also for adults This is a revised and expanded version of the underground classic self published in 1974 When an elementary class sets out on a quest to save the world from disenchantment their adventures reveal paradoxes of the human mind and ways of awakening the magic within us The Lizard
