Sobers Twenty Years At The Top:

Sobers Garfield St. Aubrun Sobers, Brian Scovell, 1989 *Maestro* David Tossell, 2025-10-20 Fascinating story of Garry Sobers the greatest cricketer of his generation who rose from poverty in Barbados to become West Indies captain and receive a knighthood Yet his life was not without drama and controversy both personal and political By acclaimed cricket writer David Tossell whose work has been shortlisted seven times in the British Sports Book Awards and three times for MCC Cricket Society Book of the Year *Maestro* offers a full and impartial study of Sir Garfield Sobers including his feats and his flaws and celebrates perhaps the greatest talent ever seen on a cricket field This compelling book Traces his boyhood in Barbados where he grew up in poverty after the wartime death of his father at sea when Garry was only four Shows how Sobers developed from a left arm spinner into the game s premier all rounder and recalls his greatest achievements including his Test best innings of 365 his six sixes in an over for Nottinghamshire triumphant tours of England in 1963 and 1966 and his great success in Australia including smashing an unforgettable 254 against a rampant Dennis Lillee Explores the significance of Sobers s appointment as West Indies captain which was as important culturally as that of Frank Worrell his nation s first black captain Looks at the impact of the tragic car crash that killed Garry s friend Collie Smith and could have cost Sobers his own life or liberty Dissects the political storm Sobers ignited by playing in Rhodesia splitting the Caribbean community and creating a diplomatic incident between governments almost costing him the West Indies captaincy Assesses his eight years as West Indies captain and looks at whether his infamous ill fated declaration in Trinidad was bad luck a bold gamble gone wrong or an indication that he was not cut out for the role Studies the lifestyle that set Sobers apart from many of his colleagues the all night drinking and gambling that rarely prevented him from performing great feats on the field A must read for all cricket lovers *Maestro* uses new and historical testimony from those who shared the field with Sobers to bring us a 3D picture of this great player *The Development of West Indies Cricket, Vol. 2* Hilary Beckles, 1998 This volume covers the third rising of West Indies cricket As the sport becomes ever more commercialized large amounts of money have established sponsorship support systems to give cricketers around the world every possible advantage Beckles assesses what impact the globalization of cricket has had on the cricketers of the Caribbean He also describes the emergence of what he argues is a debilitating sub nationalism in the West Indies the effect this has had on the game the prospect for integrating West Indian nationhood in the twenty first century ***The Development of West Indies Cricket, Vol. 1*** Hilary Beckles, 1998 This volume covers the third rising of West Indies cricket As the sport becomes ever more commercialized large amounts of money have established sponsorship support systems to give cricketers around the world every possible advantage Beckles assesses what impact the globalization of cricket has had on the cricketers of the Caribbean He also describes the emergence of what he argues is a debilitating sub nationalism in the West Indies the effect this has had on the game the prospect for integrating West Indian nationhood in the twenty first century ***Diplomatic Games*** Heather L.

Dichter, Andrew L. Johns, 2014-09-23 How events like the Olympics and World Cup have affected international relations A significant contribution to historical knowledge and understanding Peter J Beck author of Scoring for Britain International sporting events including the Olympic Games and the FIFA World Cup have experienced profound growth in popularity and significance since the mid twentieth century Sports often facilitate diplomacy revealing common interests across borders and uniting groups of people who are otherwise divided by history ethnicity or politics In many countries popular athletes have become diplomatic envoys Sport is an arena in which international conflict and compromise find expression yet the impact of sports on foreign relations has not been widely studied by scholars In Diplomatic Games a team of international scholars examines how the nexus of sports and foreign relations has driven political and cultural change since 1945 demonstrating how governments have used athletic competition to maintain and strengthen alliances promote policies and increase national prestige The contributors investigate topics such as China s use of sports to oppose Western imperialism the ways in which sports helped bring an end to apartheid in South Africa and the impact of the United States 1980 Olympic boycott on US Soviet relations Bringing together innovative scholarship from around the globe this groundbreaking collection makes a compelling case for the use of sport as a lens through which to view international relations [The Men Who Raised the Bar](#)

Chris Waters, 2020-12-10 Few sporting records capture the imagination quite like that of the highest individual score in Test cricket It is the blue riband record of batting achievement the ultimate statement of stamina and skill From Charles Bannerman who scored 165 for Australia against England in the inaugural Test match in 1877 to Brian Lara who made 400 not out for West Indies against England in 2004 the record has changed hands ten times Chris Waters The Men Who Raised the Bar charts the growth of the record through nearly one hundred and fifty years of Test cricket It is a journey that takes in a legendary line of famous names including Sir Donald Bradman Sir Leonard Hutton Sir Garfield Sobers and Walter Hammond along with less heralded players whose stories are brought back into the light Drawing on the reflections of the record holders Waters profiles the men who raised the bar and their historic performances **Worrell** Simon

Lister, 2024-06-06 WINNER OF THE MCC CRICKET SOCIETY BOOK OF THE YEAR AWARD The definitive telling of the life of a West Indian hero Sir Clive Lloyd The brilliant all rounder Frank Worrell had to wait until 1960 to become the first permanent Black captain of the West Indies cricket team denied for a decade by the elitism insularity and racism of Caribbean cricket s rulers When his chance finally came Worrell transformed a talented but unfocused team into the most exciting side in the world and led his men into unforgettable series against Australia and England Worrell was universally admired as one of cricket s great captains when he was knighted in 1964 but three years later he was dead aged just forty two Not merely an extraordinarily talented and record breaking sportsman he served the University of the West Indies after his retirement along with the cricket team and the political federation one of the three truly unifying elements across a fractious and diverse region This biography by the author of the acclaimed Fire in Babylon and with a foreword by Sir Clive

Lloyd is the definitive telling of Frank Worrell's life and legacy. It reveals how an upbringing in Barbados cricketing adventures around the world and a determination not to be cowed by the powers that ran island cricket shaped a great West Indian cricketer into a great West Indian who changed the game forever. *Cricket Nurseries of Colonial Barbados* Keith A. P. Sandiford, 1998. This work offers an intriguing and important analysis of the role played by three prestigious grammar schools: Combermere School, Harrison College, and the Loge School, in establishing the cricket cult in Barbados and ultimately throughout the Caribbean. It goes far towards explaining why Barbadians have traditionally played such excellent cricket. This book is the first to make such extensive use of Barbadian school magazines as primary sources for the study of social history. The author stresses the statistical first-class records of about 200 alumni of the three schools and in so doing furnishes sport sociologists with a considerable new body of empirical data for future use. Although it focuses on a Barbadian situation, the book should interest cricket enthusiasts everywhere with its many photographs and its lucid and candid treatment of some of the most important personalities in regional and world cricket, a few of whom are still actively involved in the sport today.

Game for Anything Gideon Haigh, 2005-04-01. Gideon Haigh's new book covers all the great figures and major issues of cricket by collecting all his best writing about the game. There are profiles of players past and present: Bradman, Ranjitsinhji, Benaud, and Sobers from the past; Steve Waugh, Shane Warne, and Wasim Akram from the present. He covers the big issues in the game: sledging, match fixing, Kerry Packer, Zimbabwe umpiring. He writes about cricket's best writers: Swanton, C. L. R. James, and ponders the game's most halcyon and unique aspects: slow bowling, captaincy, the essence of good batting. Haigh has now established himself as one of the finest writers on the game, author of one acknowledged masterpiece, *Mystery Spinner*, a comic classic. Many a slip and one of its most shrewd commentators who gets widely reviewed both by the cricket media and the national press. This book is likely to attract the same attention. **Sport and National Identity in the Post-War World** Dilwyn Porter, Adrian Smith, 2013-04-15. What is the relationship between sport and national identity? What can sport tell us about changing perceptions of national identity? Bringing together the work of established historians and younger commentators, this illuminating text surveys the last half century, giving due attention to the place of sport in our social and political history. It includes studies of English football and British decline, Englishness and sport, Ethnicity and nationalism in Scotland, Social change and national pride in Wales, Irish international football and Irishness, Sport and identity in South Africa, Cricket and identity crisis in the Caribbean, Baseball exceptionalism and American Sport, Popular mythology surrounding the sporting rivalry between New Zealand and Australia. *Sport and National Identity in the Post War World* presents a wealth of original research into contemporary social history and provides illuminating material for historians and sociologists alike.
