Social Baby Lynne Murray, 2004-09 **The Social Child** Toni Buchan, 2013-03-22 Children's emerging communication and social skills **Baby Development Everything You Need to Know** DK, 2012-04-16 It's amazing how quickly babies develop during their first days, weeks and months. **Baby Development Everything You Need to Know** takes parents through the first two years, focusing on what they can do to help maximize their baby's potential in a relaxed, fun way. **Baby Day by Day** DK, 2012-07-16 **Baby Day by Day** tells you everything you need to know about looking after your baby from birth to twelve months. The volume has a unique chronological structure, making every one of your baby's 365 days in the first year of life count, hour by hour for the first 24 hours, then day by day up to twelve months. The days are grouped into three-month periods so that parents can locate exactly the right age-appropriate information. **Baby Day by Day** provides an unbiased approach to baby care. It gives all the pros and cons of various approaches, for example, with sleep training and childcare options. It also includes answers from a panel of professionals, including pediatricians, child psychologists, nutritionists, and complementary medicine experts, on questions such as how to manage crying and breastfeeding issues. The most recent discoveries about how babies' minds work are explained, and parents are told how they can use these insights to guide their baby's development. Advice on identifying problems in development is included, and there is a health guide at the back of the ebook. **Social Development** Marion K. Underwood, Lisa H.
