The Instigatory Theory of NGO Communication Evandro Oliveira, 2019-05-31 By understanding the ontogenesis of NGOs as civil society organizations from a historical anthropological communicational sociological economical and managerial perspective Evandro Oliveira outlines the Instigatory Theory of NGO Communication

ITNC This proposes the ontological principles an applied conceptual model and a cybernetic operational model for understanding and managing communication at NGOs Those models were tested using a mixed method research design

performance of ngos with reference to women empowerment Dr J Saritha, **The Political Economy of NGOs** Jude L. Fernando, 2011-07-08 This book explores the paradoxical relationship between NGOs and capitalism showing that supposedly progressive organisations often promote essentially the same policies and ideas as existing governments It examines how a diverse group of NGOs have shaped state formation in Bangladesh and Sri Lanka It argues that rather than influencing state formation for the better NGOs have been integrated into the capitalist system and their language adopted to give traditional exploitative social relations a transformative appearance This enlightening study will give pause to those who see NGOs as drivers of true social change and will encourage students of development studies to make a deeper analysis of state formation
