

How To Resolve Conflict With Others

Resolving conflict involves using problem solving skills to work through a conflict or disagreement with others. Conflict resolution skills can help strengthen relationships, and avoid more serious problems.

Tips To Resolve Conflict

1. Stay calm
2. Talk, listen, and be patient
3. Problem solve and think of solutions that work for everyone
4. Respect the opinion of others, even if you disagree

Do Not...

- Ignore the conflict
- Yell and argue
- Insult or name-call

- Interrupt the other person
- Refuse to listen
- Use physical violence

Problem Solving Wheel

To Resolve Conflicts, I Can...

Practice active listening

Listen with an open heart

Put myself in the other person's shoes

Agree to disagree

Compromise and choose a win-win solution

Write down ideas to make things better

Use a calm and friendly tone of voice

Do something else

Practice coping skills to calm down

Practice assertive communication

Share and take turns

Take a break

Use "I" Statements

I feel _____
when you _____
because _____

Talk about how I feel

Take deep breaths before I speak

Spend time with someone else

Social Conflict Mental Health Services:

Social Conflict and Mental Health Services Robert D. Borgman, 1978
Issues and Clinical Practice National Institute of Mental Health (U.S.), 1978
The Ife-Modakeke Conflict Bukola Adeyemi Oyeniyi, 2025-09-04 Bukola Adeyemi Oyeniyi examines the complex interplay of history culture and politics that have shaped the longstanding conflict between the Ife and Modakeke communities in Nigeria This book argues that the roots of this conflict extend beyond immediate sociopolitical grievances and are deeply entwined with historical legacies and cultural divergences that have evolved over centuries Using archival materials oral histories and contemporary narratives Oyeniyi illustrates how colonial legacies ethnic identities and local power dynamics have contributed to ongoing tensions The analysis reveals how historical grievances are often reframed in contemporary contexts influencing community relations and political alignments Ultimately this book sheds light on the necessity of understanding historical contexts to address current conflicts offering insights into conflict resolution and peacebuilding strategies that are informed by a nuanced grasp of local histories and cultural identities This book contributes significantly to the broader discourse on conflict in Nigeria and Africa emphasizing the importance of historical awareness in contemporary sociopolitical landscapes
Mental Health of Refugee and Conflict-Affected Populations Nexhmedin Morina, Angela Nickerson, 2018-12-10 This book provides an overview of theoretical empirical and clinical conceptualizations of mental health following exposure to human rights violations HRV There are currently hundreds of millions of individuals affected by war and conflict across the globe and over 68 million people who are forcibly displaced The field of refugee and post conflict mental health is growing exponentially as researchers investigate the factors that impact on psychological disorders in these populations and design and evaluate new treatments to reduce psychological distress This volume will be a substantial contribution to the literature on mental health in refugee and post conflict populations as it details the state of the evidence regarding the mental health of war survivors living in areas of former conflict as well as refugees and asylum seekers
Mental Health Service Users in Research Patsy Staddon, 2015-01-14 This book aims to show the value but also the difficulties encountered in the application of insider knowledge in service user research Mental health service users in research considers ways of doing research which bring multiple understandings together effectively and explains the sociological use of autobiography and its relevance It examines how our identity shapes the knowledge we produce and asks why voices which challenge contemporary beliefs about health and the role of treatment are often silenced An imbalance of power and opportunity for service users and the stigmatising nature of services are considered as human rights issues Most of the contributors to the book are service users survivors as well as academics Their fields of expertise include LGB issues racial tensions and recovering from the shame and stigma of alcoholism They stress the importance of research approaches which involve mutualities of respect and understanding within the worlds of researcher clinician and service user survivor

Conflict, peace and mental health David Bolton, 2025-11-11 A powerful guide for dealing with traumatised communities in the wake of conflict and disaster What are the human consequences of conflict and how should healthcare and social services respond In this book David Bolton provides an answer to these urgent questions drawing on more than twenty five years of service experience in Northern Ireland and elsewhere Focusing on the work he undertook with colleagues following the devastating Omagh bombing in 1998 Bolton reveals how needs were assessed and how evidence based services were put in place He describes the training and education programmes that were developed to assist first those communities directly affected by the bombing and later the wider population traumatised by the years of conflict Crucially he places the mental health needs of affected communities at the heart of the political and peace processes that follow The second edition of this clear and practical book includes new chapters on the challenges of promoting justice and reconciliation in a post conflict situation It is essential reading for those planning for and responding to conflict related disasters policy makers service commissioners and providers politicians civil servants and peace makers

Mental Health Care in the College Community Jerald Kay, Victor Schwartz, 2011-08-17 Mental health concerns are the most serious and prevalent health problems among students in higher education Increasingly effective psychopharmacological and psychotherapeutic treatments have facilitated matriculation for students with histories of anxiety mood personality eating and substance abuse disorders This phenomenon has been accompanied by a striking increase in the number of previously undiagnosed students requesting treatment College and university mental health programs struggle to care for larger numbers of students necessitating greater interdisciplinary collaboration in treatment research outreach and educational services This book fills an important gap in the literature and provides a comprehensive resource for nearly every aspect of college mental health It includes a strong emphasis on the training and education of graduate and professional students for future work in this field Chapters are devoted to the significant ethical and legal issues related to treatment and associated administrative and policy challenges Scholarly chapters on the promise of community mental health and public health approaches are especially innovative There is also a chapter on international issues in college mental health which will be helpful to those students studying abroad Mental Health Care in the College Community is written by acknowledged experts from mental health college and university administration legal and educational disciplines all with extensive administrative and clinical experience in higher education settings This book is clearly written and well illustrated with abundant tables charts and figures This text will become essential reading for college mental health clinicians graduate students in the mental health disciplines psychiatry psychology counselling nursing and social work student affairs deans and their staff and even presidents or provosts of universities and colleges
