BHAKTI-SIDDHĀNTA SARASVATĪ,1946 *The Hare Krishna Movement* Edwin Bryant,Maria Ekstrand,2004-06-23 Dancing and chanting with their shaven heads and saffron robes Hare Krishnas presented the most visible face of any of the eastern religions transplanted to the West during the sixties and seventies Yet few people know much about them This comprehensive study includes more than twenty contributions from members ex members and academics who have followed the Hare Krishna movement for years Since the death of its founder the movement also known as the International Society for Krishna Consciousness ISKCON has experienced debates over the roles of authority heresy and dissent which have led to the development of several splinter movements There is a growing women s rights movement and a highly publicized child abuse scandal Providing a privileged look at the people and issues shaping ISKCON this volume also offers insight into the complex factors surrounding the emergence of religious traditions including early Christianity as well as a glimpse of the original seeds and the germinating stages of a religious tradition putting down roots in foreign soil Unforgetting Chaitanya Varuni Bhatia,2017-08-09 In *Unforgetting Chaitanya* Varuni Bhatia examines late nineteenth century transformations of Vaishnavism a vibrant and multifaceted religious tradition emanating from the Krishna devotee Chaitanya 1486 1533 in Bengal Drawing on an extensive body of hitherto unexamined archival material Bhatia finds that both Vaishnava modernizers and secular voices among the educated middle class invoked Chaitanya portraying him simultaneously as a local hero a Hindu reformer and as God almighty She argues that these claims should be understood in relation to efforts to recover a pure Bengali culture and history at a time of rising anti colonial sentiment Chaitanya Amiya P. Sen,2019-04-08 A saint a reformer an avatar of Lord Krishna Chaitanya Mahaprabhu 1486 1533 is perceived as all these and many others In this book on Chaitanya Amiya P Sen focuses on the discourses surrounding the mystic s life which ended rather mysteriously at the age of 48 Written in a lucid manner and for a wider audience this book is a fresh attempt to historically reconstruct Chaitanya s life and times in Bengal and Odisha as well as Vrindavan the key centre of medieval Vaishnavism in north India This work critically evaluates how Chaitanya has been understood contemporaneously and posthumously particularly as an icon in colonial Bengal Addressing an important gap in scholarship which hitherto concentrated on religious and philosophical discourses Sen offers a full length biographical account of Nimai or Gaur by drawing on a wide range of sources in English and Bengali He also argues against the belief that Chaitanya is the sole proponent of Vaishnava bhakti in Bengal choosing to situate him in the wider devotional cultures of the region *Intimate Relations* Krupa Shandilya,2017-01-15 *Intimate Relations* remaps the discussion on gender and the nation in South Asia through a close study of the domestic novel as a literary genre and a tool for social reform As a product of the intersection of literary and social reform movements in the late nineteenth century the domestic novel became a site for literary innovation

and also for rethinking women's roles in society and politics Krupa Shandilya focuses primarily on social reform movements that negotiated the intimate relations between men and women in Hindu and Muslim society namely the widow remarriage act in Bengal 1856 and the education of women promoted by the Aligarh movement 1858 1900 Both movements were invested in recovering woman as a respectable subject for the Hindu and Muslim nation where respectability connoted asexual spirituality While most South Asian literary scholarship has focused on a normative Hindu woman Intimate Relations couples discussion of the representation of the widow in bhadrakalok upper caste middle class society with that of the courtesan of sharif upper class Muslim feudal society in Bengali and Urdu novels from the 1880s to the 1920s By drawing together their disparate histories in the context of contemporaneous social reform movements Shandilya reflects on the similarities of Hindu and Islamic constructions of the gendered nation

Śrī Bhaktivinoda Vāṇī Vaibhava: Abhidheya and Prayojana Bhaktibinoda Ṭhākura, Sundarānanda Vidyāvinoda, 2003 Perfect questions and perfect answers is the right theme for this book After glossing over the entire gamut of the writings and teachings of Srila Bhaktivinoda Thakura the entire teachings of this stalwart Vaisnava sage has been made into magna opus questions and answers format Srila Bhaktivinoda Bhaktivinoda Thakura single handedly revived the teachings of Sri Caitanya Mahaprabhu the 16th century saint who was considered the incarnation of Lord Krishna Much had been written on the life and teachings of Srila Saccidananda Bhaktivinoda Thakura Just as less intelligent mundane persons cannot understand the birth and activities of Lord Kṛṣṇa similarly the life and activities of a pure devotee of the Lord cannot be understood by mundane intelligence Sometimes the account of the life and activities of great devotees are bewildering for the nondevotees because they cannot comprehend how a devotee of Kṛṣṇa could seem to be an ordinary person But such are

the ways of the Lord He makes His activities and the activities of His pure devotees bewildering for those who are not devoted to Him Srila Bhaktivinoda Thakura was responsible for re establishing Sri Caitanya Mahaprabhu s sankirtana movement which had become almost extinct by the mid nineteenth century The mission had deteriorated greatly due to the influence of the sahajiyas and later the British rule in India Through his tireless efforts however the Thakura restored the purity prestige and respect of the Vaisnavism amongst the cultured people of his day He also sowed the seeds for future worldwide propagation of the mission Srila Bhaktivinoda Thakura wrote more than one hundred volumes of devotional literature during his life His books are as good as Vedic scriptures and one can develop pure devotion to the Lord by absorbing and applying his teachings But in this age we seem to have little time to study religious texts and so little capacity to understand the vast teachings of the scriptures Therefore great personality Sundarananda Vidyavinoda Prabhu one of Srila Bhaktisiddhanta Sarasvati Thakura s prominent disciples made a deep study of all the writings of Srila Bhaktivinoda Thakura and on the order of his spiritual master composed questions related to sambandha abhidheya and prayojana He then answered those questions by drawing directly from the writings of Srila Bhaktivinoda Thakura *Catalogue Calcutta (India).
